BORA BORA, FRENCH POLYNESIA

WATER

THE SOUTH PACIFIC

Your journey begins in earnest as you set out from San Francisco, cruising into the serene and majestic waters of the mighty Pacific Ocean. Disconnect and allow the sheer joy and wonder of the adventure to wash over as you settle into your new escape.

Then, as if a mirage, the remote, largely untouched and breathtakingly beautiful islands of the South Pacific emerge. The verdant landscapes and turquoise hues between Hawaii, French Polynesia and Fiji are so pure that words fail to do them justice. Experience is the only solution; dive in and discover a wealth of beauty and memorable encounters at every port of call.

Make the most of overnights in Honolulu and Papeete, exploring above and below the surface, from helicopters to submarines.

SERENE DISCOVERIES

Raiatea, French Polynesia

Taputapuātea, a stunning cultural land and seascape, is a recognised UNESCO World Heritage Site on Raiatea. The cultural importance of this site, with the marae complex (meeting grounds) located at its heart, offers fascinating insights into Polynesian societies. Taputapuātea holds particular significance and sits at the centre of the “Polynesian Triangle.”

Hawaii & Fiji

Go deeper and experience the magnificent beauty of life below the surface, from the high-tech **Atlantis Submarines** in Hawaii to more traditional methods like snorkelling in the **pristine Fijian waters**. Experience the transcendent peace that exists below the surf — a vibrant and weightless world filled with life.

MILFORD SOUND, NEW ZEALAND

EARTH

AUSTRALIA & NEW ZEALAND

Australia and New Zealand capture the heart of adventure and culture in some of the most unique and captivating ways.

The joyful thrill and awe of Australia's iconic wildlife leaping from the water, hopping across the outback and snuggling into the heart of a eucalyptus tree never goes away. UNESCO World Heritage Sites abound throughout this incredible wilderness, highlighting the habitats of these wondrous animals, from the Tasmanian Wilderness and the Gondwana Rainforests to the gem of the Coral Sea, the Great Barrier Reef.

The rugged beauty and starkly contrasting landscapes of New Zealand inspire thoughts of fantastical tales and an inspiring sense of both reverence and responsibility toward caring for the homes of the irreplaceable fauna found on the islands of the Kiwis.

VERDANT ADVENTURES

New Zealand

Dazzling, with kaleidoscopic natural scenes, the landscape of New Zealand's **Te Wahipounamu** has been shaped by successive glaciations into fjords, rocky coasts, towering cliffs, lakes and waterfalls. The breathtaking beauty of **Milford Sound** will be your first glimpse into this UNESCO-protected wonderland as you sail through the pristine mountain-fed waters. Forested cliffs soar above you in every direction with cascading falls casting rainbows in the sunlight.

Australia

The **Wet Tropics of Queensland**, stretching between Townsville and Cooktown, holds much of Australia's stunning tropical rainforest. Venture into this prehistoric landscape to find a variety of endemic animals and plants, from the world's largest reptiles to what are considered some of the earliest flowering plants on the planet. The jewel of the Wet Tropics is the fantastic **Daintree National Park**, which can be accessed from Port Douglas, just north of Cairns, the gateway to another UNESCO Site: the Great Barrier Reef.

YUYUAN GARDEN
SHANGHAI, CHINA

SOUTHEAST ASIA & CHINA

The vibrancy and spice of the local cultures exudes from every port of call visited throughout Southeast Asia.

Savour more of each destination with overnights in Bali, Bangkok, Ho Chi Minh City and Hong Kong, among others. The multimedia show, *A Symphony of Lights*, in Hong Kong's Victoria Harbour delivers a feast for the eyes and heats up the night's sky, while Ho Chi Minh City invites you for an evening out to discover some of the most incredible flavours in all of Vietnam.

Delve into the mystical beauty of the famed temple grounds of Angkor Wat and the Historic City of Ayutthaya where their striking designs, ancient towers and storied pasts ignite the imagination.

FLAVOURFUL EXPEDITIONS

Thailand

The **Bangkok street food** scene is known the world over. Few other places offer such an expansive variety of spicy, savoury and sweet treats cooked street-side with recipes passed down for generations. At any hour, day or night, join Thais as they crowd around sidewalk carts and stalls, slurping noodles, devouring pad thai, indulging in the freshest mango sticky rice, and sweating over fiery som tam (a green papaya salad).

China

A few days later, satisfy your taste for wonder as you enter Hong Kong's stunning **Victoria Harbour**. As a city boasting some of the world's best eateries, including Michelin-starred restaurants, no dining experience in Hong Kong is complete without sampling renowned street-food favourites like bite-size curry fishballs and siu mai (dumplings), steamed and doused in soy sauce.

KENAI FJORDS
SEWARD, ALASKA

ICE

JAPAN, RUSSIA & ALASKA

An immersion into these vastly different regions reveals much more than the beauty of any single destination.

Human creation often reflects the splendour of the world around it and the captivating culture of Japan reveals some of humanity's most impressive. Uncover her hidden charms, from the rich history and artefacts found in Kyoto to the food and nightlife in Tokyo.

Touch the eastern edges of Siberia where volcanoes tower and sculpt the surrounding landscapes before traversing the icy waters of the northern Pacific en route to the untamed beauty of Alaska. Cruise the monumental Hubbard Glacier and feel the crunch of Mendenhall's frozen fields beneath your feet.

PURE REVELATIONS

Japan

Like the regal, snow-capped peak of Mount Fuji, the brilliantly white **Himeji-jo** gracefully adorns Himeji's skyline, just west of Kobe. Surrounded by hundreds of cherry, plum and peach trees, as well as the azalea and wisteria blossoms found throughout the castle grounds, this iconic complex is a revelatory example of Japan's native beauty.

Alaska

Sailing from cultural landmarks to natural wonders, your ship's captain will deftly navigate to the edges of Alaska's **Wrangell-St. Elias National Park**, bringing you face-to-face with North America's longest tidewater glacier, the magnificent **Hubbard Glacier**. The spectacular scene of this giant combined with the pristine wilderness that surrounds, evokes a sense of the past, a feeling of having travelled back to the ice age to witness the shaping of this incredible landscape.

CANDLES, CUISINE & CAVES IN HA LONG BAY

HA LONG BAY, VIETNAM — 27 MARCH 2022

The enrapturing beauty of Ha Long Bay — a UNESCO World Heritage Site — is one of the most stunning sights in Southeast Asia. Its nearly 1,600 islands and islets, jutting out of the bright green waters of the Gulf of Tonkin, have an ancient origin in the mythology of dragons that descended from heaven to protect Vietnam.

Arrive at Vung Duc Cave, a fascinating site that is actually comprised of multiple caves, and be welcomed with a dragon dance prior to entering the caves. Search and explore the area, then find your seat and watch the world shift as the lights go out and candles become your only source of light. The dinner show, a skilled local band with accompanying dancers, entertains as you savour a fresh and delectable local seafood supper complete with wonderful wine pairings. This special evening will be one you won't soon forget.

CEREMONY, ART & CUISINE AT MEGURO GAJOEN

TOKYO, JAPAN — 14 APRIL 2022

Witness the dramatic art of Kabuki, a classical Japanese dance-drama recalling ancient stories, and be charmed by the beautiful geishas. Stunning performances by genuine ninjas crown the evening's excitement in a fantastic display ninjutsu, while the beautiful serenading of a traditional Japanese harp serenely brings the curtain down on this unique excursion.
