# Welcome.

Welcome to the world of Cunard. And what a world it is. From signature touches that make every day special, to moments of pure indulgence - ours is a world filled with possibilities and the freedom to do as much (or as little) as you please.

Choosing to escape the everyday with us isn't just about the experiences you can look forward to on board. Our itineraries offer chance to step ashore in some of the world's most magical and adventurous destinations - places that really are a world away. The enigmatic North Cape, Alaska and Asia are just a handful of the enriching destinations our fleet will call at in 2022. While in 2023, we'll celebrate the 100th anniversary of our first World Voyage with two exceptional centenary sailings, along with full circumnavigations of Japan and Australia.

There'll be opportunity to soak up winter sun in the Caribbean, island hop in the South Pacific and explore sparkling cities such as Cape Town, San Francisco and Singapore by night. Transits through the Panama and Suez Canals offer further iconic journeys delivered in signature Cunard style. Queen Mary 2 will make her much-loved Transatlantic Crossing to New York from Southampton, Queen Victoria will call at Tonga and the Samoa Islands, and Queen Elizabeth's voyages will take her to Taiwan, South Korea and Vladivostok, where she'll make a maiden call for our fleet.

On each of our ships you'll discover a world of fun and relaxation, where grand lobbies and spacious staterooms are complemented by vibrant bars, restaurants and open-air pools. Where simply laying back by day gives way to evenings filled with fine dining, theatre and lively entertainment. A world in which to escape life's responsibilities and enjoy the freedom to pursue only the things you love.

## Queen Mary 2.

Built to sail the open seas and cut through the mighty Atlantic, Queen Mary 2, the world's only true ocean liner, has elegance and scale like no other. Nestled within her graceful lines are fifteen restaurants and bars, five swimming pools, a full-sized theatre, a casino, a spa club, a 3D cinema, a full-scale planetarium, and the largest dance floor at sea.

You'll find acres of deck space and a traditional promenade deck that circumnavigates the ship. She even has kennels to accommodate our four-legged guests in style on Transatlantic Crossings.

## Queen Elizabeth.

Christened by her namesake HM The Queen, Queen Elizabeth pays tribute to classic art deco design; styling that has won her numerous accolades and made her a firm favourite with guests.

The heyday of Hollywood glamour is instantly evoked in her elegant wood panelling, gleaming chandeliers and marble flooring but nowhere more so than in her triple-height Grand Lobby; its sweeping staircase dominated by a stunning marquetry-panelled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the hothouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls, or paddle tennis.

## Queen Victoria.

Similar in size and layout to Queen Elizabeth, but with her own distinct personality and feel, Queen Victoria's classical decor has an Edwardian elegance, executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain – Inger Klein Thorhauge, and the first in the world to offer private theatre boxes at sea.

Fans of Queen Victoria often remark on her unusual cosiness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate feeling throughout.

## So much to do, so much time.

You could try something new every day with Cunard and never experience it all.

Our ships offer a world of possibilities where you can do as much or as little as you please. Ease into blissful relaxation or explore the many activities on board.

Lose yourself in the largest library at sea, discover the only floating planetarium, or join our sommeliers for a wine-tasting from our cellar.

Perhaps the time has come to start that novel or to master the perfect martini? Our classes can guide you. You might even meet an astronaut or a fashion designer at one of our Insight lectures.

Guests often say there is so much to do, they rarely find time to appreciate their stateroom.

## The night, as they say, is yours.

Evenings on board offer many pleasures, not least deciding where to dine and which show to see. Then, of course, there's the fun of getting ready.

Many of our guests welcome the opportunity to dress up and step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues is always available.

### Every evening is an event.

On each ship, the Royal Court Theatre is the setting for West End-style shows. Some nights feature singers or comedians, other times you might catch a classical drama or musical. On board Queen Elizabeth and Queen Victoria you can even enjoy champagne in your own private box.

Alternatively, slow things down with the melodic sounds of a pianist serenading you as you sip this evening's cocktail, or take part in a quiz with your fellow travelling companions at the Golden Lion pub.

## Event Voyages.

At Cunard we like to offer you an experience unlike any other, and our special Event Voyages are designed to do just that. Tailor-made to bring popular themes to life, these unique voyages add a little something extra to an already exquisite experience aboard one of our Queens.

With each sailing offering an enriching programme of workshops, masterclasses, performances, and insight talks with experts in their field, there truly is something for everyone on board.

## Eastbound Panama Canal, United States and Europe.

Queen Elizabeth's transit of the Panama Canal, unlocks a host of incredible seafaring journeys that transport you from North America to the Mediterranean, via Mexico, South America, and the Caribbean.

Spend a day exploring Vancouver's galleries and museums before making your way by sea to San Francisco, to be greeted by the iconic sight of the Golden Gate Bridge. Whilst there, take a boat trip out to Alcatraz Island to explore the cell blocks of this infamous U.S. former prison once dubbed inescapable.

LA brings the star-studded Walk of Fame and Hollywood sign, before Mexico and South America beckon. Feel the softness of white sand caress your feet in Cabo San Lucas and stroll the beachfront promenade in Puntarenas, refuelling with an invigorating cup of Costa Rican coffee.

The Panama Canal is your gateway from the Atlantic to the Pacific and on to the Dutch colonial houses of Aruba's enigmatic capital Oranjestad. Savour the sight of verdant jungles from the deck of your ship as you bask in this historic feat of manmade engineering. Hamilton, Bermuda blends pastel coloured buildings with stone cathedrals and the chance to sight sharks and turtles, while Fort Lauderdale's historic riverfront and Miami's beaches are yours to explore from Port Everglades.

Europe, by contrast brings centuries old history and architecture by visionary masters. Explore orange scented streets in Seville and Gaudi's unfinished church in Barcelona. Walk where Gladiators once did battle in Rome, fall for the gothic charms of Palma de Mallorca, and savour the authentic taste of native Italian pizza in Naples.

# Northern Europe and British Isles, by Cunard.

Revel in pristine scenery and strikingly beautiful cities, as you explore the lands of the Tsars and Vikings, as well as our own fair isles on a scenic cruise around Britain.

In Europe's northernmost nations, fascinating contrasts and beguiling natural wonders provide the perfect combination for a magical holiday. Savour the chance to sail along the coasts of England and Scotland, witnessing the breadth and beauty of Britain's diverse topography. Or journey to Iceland, home of the Golden Circle, where thermal geysers await discovery.

Known for its majestic fjords, Norway is also home to a remarkable coastline, sprinkled with charming towns enveloped by breathtaking scenery. Go in search of the Northern Lights and the sparkling Midnight Sun as you retrace the footsteps of Vikings, and marvel at the sight of waterfalls, forested mountains and cavernous gullies as you sail.

Enter the Baltic to enjoy Copenhagen's magical Tivoli Gardens, and enchanting little mermaid, while Sweden beckons with historic Visby. But the Baltic's crowning treasure must be St Petersburg, with its stunning palaces and immense museums, which can be enjoyed on an overnight stay.

On Britain's shores, maritime history and musical legends await in Liverpool. Admire the famous Three Graces buildings or trace The Beatles' rise to stardom. Titanic Belfast is an unmissable attraction in Northern Ireland's capital, while Scotland's wild coastline will captivate on a scenic cruise around the Sound of Mull.

Iberia, Atlantic Coast,  
and Canary Islands, by Cunard.

The stunning scenery and glorious climate of these sub-tropical Atlantic Isles are just some of the temptations for these enticing voyages. Enjoy the splendid early or late season sunshine, and the opportunity to step ashore in a kaleidoscope of tantalising destinations, direct from Southampton.

Explore the characterful Canary Islands, a rugged volcanic archipelago lying just off the coast of Africa. Lanzarote enthralls with its year-round warm weather and spectacular volcanic park at Timanfaya. Tenerife is a true feast for the eyes with numerous galleries and museums, as well as a cable car to stunning Mount Teide. Gran Canaria offers bustling resorts and quaint fishing villages, while the biosphere reserve of Fuerteventura boasts nearly 100 miles of white, sandy beaches. Then there's sleepy La Palma, one of the smaller islands, featuring Caldera de Taburiente – the world's largest volcanic erosion crater.

As you bounce along the beautifully asperous Atlantic coast of Iberia you'll also encounter a medley of fascinating destinations, including Portugal's atmospheric capital Lisbon, and Spain's lush Galicia region from La Coruña. Ancient Cadiz puts you in reach of the beauty of Seville, while beguiling Malaga provides access to the Moorish splendour of Granada. You'll even have the opportunity to take in the views from the top of the rock in Gibraltar.

Equally dazzling is the 'Garden Isle' of Madeira with its vibrant fauna, and Cunard's annual New Year's firework display, which lucky guests will experience on Queen Victoria's 2022 Christmas and New Year voyage.

## Asia, by Cunard.

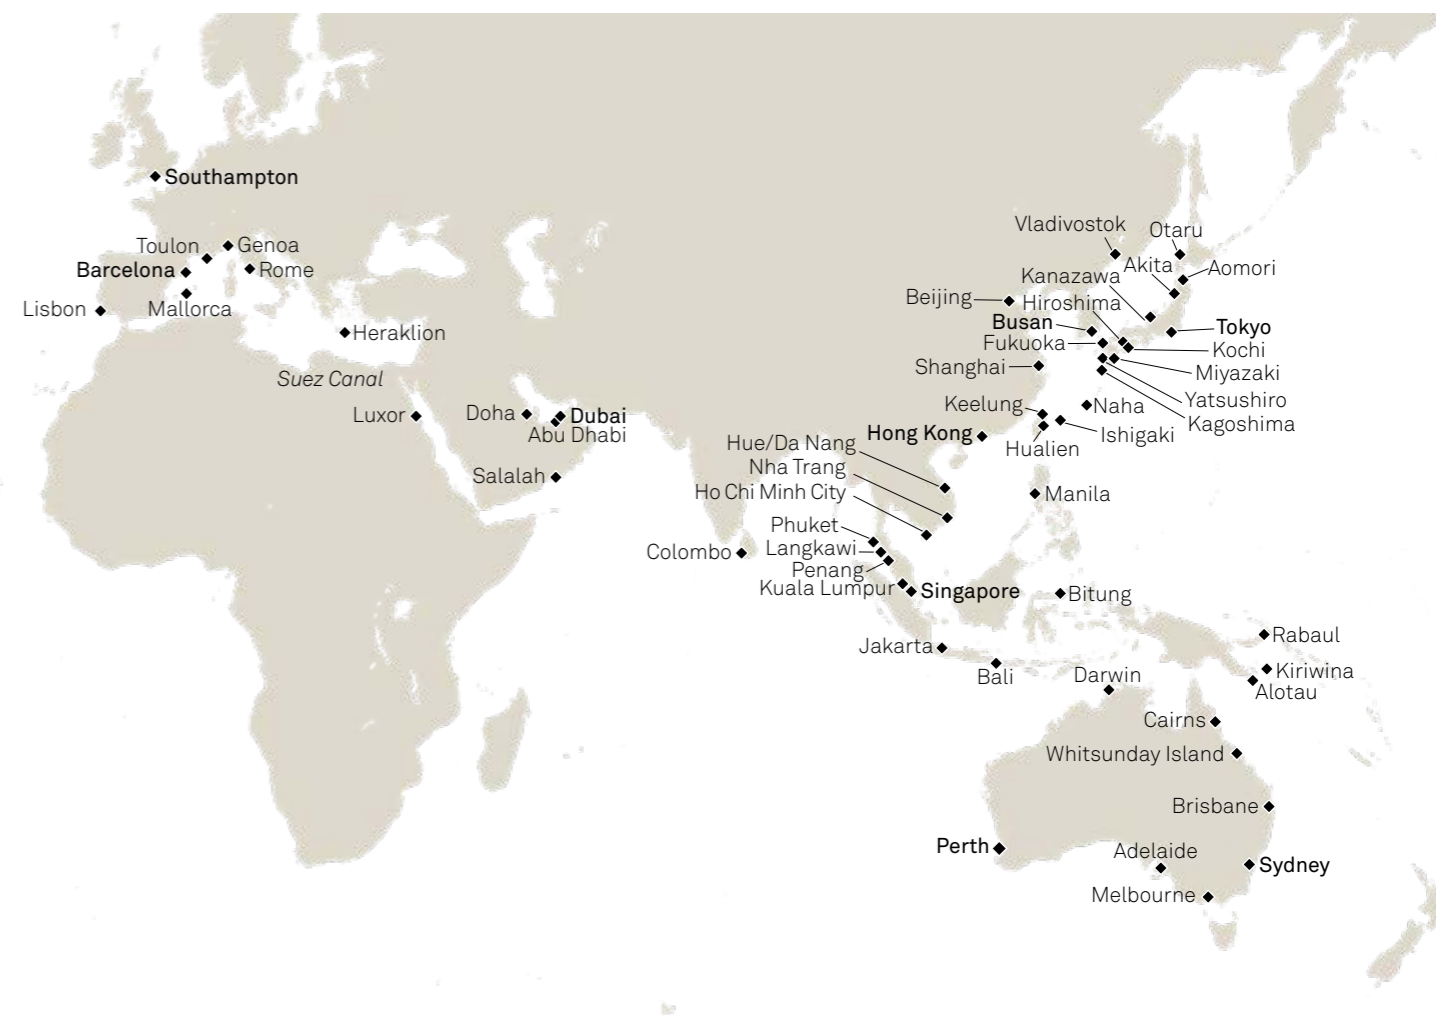

Stretching from Japan's outlying islands to the iconic beaches of Bali, a voyage in Asia reveals destinations laced with wonder, intrigue and serenity.

In Japan you'll experience cities streaming with life and temples shrouded in silence. Queen Elizabeth will take you deep into the heart of this fascinating destination in 2023, with full Japan circumnavigations and an 8-night Golden Week Voyage from Yokohama (Tokyo). Discover Akita's sake breweries or Kanazawa's castle. Savour a taste of sushi in Fukuoka, or spend time exploring Kochi's green-cloaked mountains and Pacific beaches.

Hualien, in Taiwan, and the South Korean city of Busan bring Buddhist shrines and the palatial homes of former Emperors to explore, while a maiden call to Vladivostok reveals a lesser seen side to Russia, stepped in Eastern influences.

China's port city Shanghai enchants with its iconic riverside cityscape featuring the Oriental Pearl Tower. Vietnam's Ho Chi Minh City introduces a multi-layered melting pot of history and exotic food, and Chan May unlocks Hue's historic imperial city or Da Nang's sandy beaches. Known for its curious cuisines, Hong Kong offers a balance of modern and traditional cultures, while Manila serves up an intriguing blend of baroque and contemporary buildings.

After indulging in the opulent Gardens by the Bay in Singapore, drink in the atmosphere of Jakarta's old town, Kota Tua, on a port call to Indonesia before moving on to Bali, Island of the Gods - an enchanting paradise dotted with Hindu temples, lush rainforests and colourful beachfront bars.

## Australia and New Zealand, by Cunard.

Delve into voyages of adventure throughout Australasia, exploring awe-inspiring landscapes, exotic wildlife and a rich variety of enticing coastal cities.

Bursting with golden sand and colourful reefs, Australia is a dynamic blend of natural wonders, where relaxation and play abound. Be enamoured by Melbourne's growing art scene, take in the sight of Sydney's iconic opera house or indulge in a glass of Shiraz in one of Adelaide's charming Laneways.

In Western Australia, in the historic port of Fremantle (Perth), the botanical gardens at Kings Park are highly recommended, while in Southern Australia a visit to the famous Magill Estate in sunny Adelaide is a must. Australian voyages also reveal wondrous feats of nature. Easy-going Cairns is your gateway to the World Heritage listed Great Barrier Reef, where you can dive among colourful marine life, while Busselton's Tuart Forest National Park offers one-of-a-kind tree encounters.

Boasting some of the most spectacular fiords in the world, and cities with a small town feel, New Zealand's natural charm and wild beauty have made the islands a firm favourite among travellers. Its Fiordland National Park, including the glacier-carved Doubtful and Milford Sounds, deliver breath-taking scenes, while the islands' beaches offer some of the most majestic coastlines in the world.

Port city Dunedin boasts a harmony of Scottish and Maori heritage, while 'Long harbour' Akaroa, which sits in a beautiful sheltered haven, offers access to the pretty South Island capital Christchurch. North Island highlights begin at cultural epicentre Wellington. Take in art deco-inspired Napier and the nearby wine-producing region of Hawke's Bay, and immerse yourself in the enchanting Bay of Islands, which is abounding with birdlife, dolphins, and even whales.

These remarkable journeys are complemented by voyages to Papua New Guinea, the islands of the Vanuatu ocean nation and Fiji. While in 2023, Queen Elizabeth will embark on a series of Australia circumnavigations as part of a season celebrating the 100th anniversary of Cunard's first World Voyage.

# Africa and Indian Ocean, by Cunard.

Savour South Africa's untamed beauty, give way to relaxation on unspoilt islands, and enjoy wildlife encounters with some of the world's most majestic animals.

Promising wonder, adventure and intrigue, a voyage to the Indian Ocean and South Africa is an experience that will stay with you always. Delight in powder soft beaches as white as salt, and jungle canopies that radiate emerald intensity.

With its glorious coastlines and Table Mountain, South Africa's capital, Cape Town, never fails to enchant. Take the cable car to the famously flat summit and drink in the views across the bay, or catch a ferry to the UNESCO World Heritage Site of Robben Island to explore the country's apartheid history and the prison where Nelson Mandela was held.

Durban introduces a harmony of African and Indian influences. Spend an afternoon in the city's vibrant Botanical Gardens or escape it all on the golden sands of one of many inviting beaches. Port Elizabeth is your gateway to the spellbinding game reserves of South Africa's Eastern Cape, while Walvis Bay in Namibia brings the possibility of whale, flamingo and Cape fur seal sightings.

In the Indian Ocean, the French outpost Reunion is a kaleidoscope of lush rainforests and tumbling waterfalls fringed by turquoise of seas. Awaken your inner explorer among colourful reefs and soaring volcanoes, or simply lay back and forget it all in the shade of a swaying palm. In Mauritius, Port Louis further immerses you into island life, with French architecture and a waterfront dotted with ambient shops and restaurants.

Many itineraries also offer the opportunity to call ashore in Santa Cruz de Tenerife. Take your pick from atmospheric squares dotted with baroque buildings, or while away the hours on the pristine sands of the city's famous Las Teresitas beach.

## Americas and South Pacific, by Cunard.

Uncover the enchanting delights and stunning treasures that lie on exotic shores, spread across three continents and two mighty oceans.

These epic seafaring journeys will transport you from the glittering waterways of Fort Lauderdale and free-spirited San Francisco to the laidback surf of Hawaii, exotic Polynesian islands and onwards to Australia. # USA and Canada, by Cunard.

The vast natural landscapes of Canada and New England are dotted by a host of vibrant and iconic cities, presenting you with a diverse range of alluring voyages.

New York, your gateway to this fascinating region, is always a compelling destination. The list of iconic sights reads long and never fails to impress, yet there are also many lesser-known gems to discover. Historic Boston impresses too, especially so during Independence Day celebrations, which are justifiably extravagant.

Away from the bustling cities there are calmer destinations to explore, where the fascinating history of America's smallest state unfolds, alongside beautiful beaches and gorgeous scenery. The quaint town of Bar Harbor opens up Maine's spectacular Acadia National Park, where moose, beavers, and bears can be seen in their natural habitat.

The natural beauty of Nova Scotia's Sydney is simply stunning and a call to vibrant Halifax reveals a rich cultural diversity and compelling arts scene. The beautiful walled city of Québec is brimming with French culture and inviting cafés, as well as a magical old town that's quite unique in North America.

Sept-Îles, lying at the mouth of the mighty St Lawrence River, will astonish with its stunning scenery and rich Innu culture. While Saguenay, which reveals a majestic fjord and picturesque villages, is one of the best places in the world for whale watching.

## Mediterranean cruises, by Cunard.

Launch your exploration of the Mediterranean from Southampton - without the need to fly - or soak up the many highlights of this exceptional region on a fly cruise from Barcelona.

The rich history and culture of the Mediterranean is truly unique. Yours to discover from the elegant decks of the Cunard Queens as they returns to Europe for an exciting series of fly-Med voyages.

The atmospheric Las Ramblas, Gaudi's otherworldly architecture and artworks by Miro and Picasso, are just the pinnacle of Barcelona's magnetic charm. Cadiz, on the other hand, is a compact gem; easy to explore yet brimming with history. It's also the gateway to Seville's equestrian displays and vast cathedral. While the views across the strait, from Gibraltar's iconic Rock, are simply breathtaking.

Italy always impresses and is a joy to explore. In the 'Eternal City' of Rome, the epoch-spanning architecture is extraordinary, from the Colosseum and Vatican City, to the Trevi Fountain and Pantheon. Naples brings the fascinating archaeological site of Pompeii, and the frescoes of the city's Duomo di San Gennaro cathedral. Whilst Pisa's perplexing leaning tower delights on a tour from Livorno.

Croatia's medieval city of Dubrovnik unlocks walks atop immense seawalls, polished limestone streets and a thousand terracotta rooftops. Similarly stunning Hvar is embellished with historic charm, as it sits proudly alongside crystal clear Adriatic waters. While Greek Islands, together with the Balearic Island of Mallorca, offer an ethereal escape from vibrant cities.

## Short cruises, by Cunard.

Escape for a few days with an enthralling combination of sailing on a Cunard liner with a dash of exploring on the continent.

Many of our short cruises call into Zeebrugge, offering you the opportunity to explore nearby Bruges with its idyllic canals and gorgeous architecture. Alternatively, beguiling Brussels boasts a magnificent Grand Place and rich cultural attractions.

Hamburg is vibrant and cosmopolitan, and an enjoyable city to wander with its canals, parklands, and lakes. This impressive maritime city offers a number of fascinating attractions, including the baroque Rathaus, with most being easily accessible on a stroll around the compact centre.

The Baltic city of Kiel seduces with its attractive old town and excellent maritime museum, but also provides access to the historic city of Lubeck.

Rotterdam offers cool culture, excellent canal-side shopping, and bold modern architecture, along with access to Amsterdam and other Dutch delights. Le Havre serves up a healthy dollop of French culture and Normandy cuisine, with the opportunity to explore cosmopolitan Paris. While St Peter Port in Guernsey presents a captivating medley of stunning scenery and intriguing history.

## Cruise Connections.

Cruise Connections is our way of getting you to your ship and home again with minimum hassle and maximum value. Simply choose exactly how you want to travel. It really couldn't be easier to connect with your cruise.

### Coach transfers.

Our coach services link the regions directly with the terminal at Southampton. Once your labelled luggage is put on the coach, the next time you see it will be in your stateroom. The coaches are modern, air-conditioned, and non-smoking with comfortable seating and WCs. They make regular stops so you can stretch your legs.

Coach bookings can be made 72 hours after your cruise is booked and must be made no later than 35 days in advance of the cruise departure date.

**For full details and to book, please go online at [intercruises.com/cruiseconnect](https://intercruises.com/cruiseconnect), call Intercruises on 0344 388 8690 or email [cunard@intercruises.com](mailto:cunard@intercruises.com) and quote your booking reference number.**

### Valet car parking at Southampton.

If you choose to drive to the terminal, you will be directed to the drop-off point for your vehicle, where you can unload your luggage before your parking representative takes your vehicle to a secure car park. After disembarking, your car will be delivered to the terminal for collection.

Car park bookings can be made 72 hours after your cruise is booked and must be made no later than 10 days in advance of the cruise departure date.

**For full details and to book please go online at [cruisebooking.co.uk](https://cruisebooking.co.uk) or call CPS on 0345 071 3939 and quote your booking reference.**

### Chauffeur services.

A private chauffeur-driven car can be arranged for those guests who wish to be conveniently transferred directly from home to the port or airport.

**For fares and details of how to book, please contact Intercruises by email at [cunard@intercruises.com](mailto:cunard@intercruises.com) or call 0344 388 8690 and quote 'Cunard Cruise Connect'.**

Whether you're travelling on one of our short cruises to Hamburg, experiencing one of our glamorous Transatlantic Crossings, or discovering shores further afield, we can tailor your flights to meet your requirements. You can make the most of your destination by extending your stay, or spoil yourself by upgrading your flight.

A selection of our Fly-Cruise holidays include an economy class flight from/to the UK. The inclusive airport varies by cruise and date of booking, and supplements apply to other departure airports.

If you're flying on the day of embarkation/disembarkation, then transfers between the overseas airport and the port are included.

**For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300\*.**

### Upgrade your flight.

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

### Change your flight date.

We can also help if you'd like to extend your holiday, either before or after your cruise.

Whether you choose to book a hotel stay through Cunard, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred dates when you book your cruise, or at least before the balance due date for your holiday.

Please note that should you decide to explore a destination independently, and we have provided your flights, you will need to make your own way to or from the ship on the day of embarkation/disembarkation and, depending on the flights you choose, additional charges may apply.

### Transatlantic Crossings.

Our one-way Transatlantic Crossing fares include an economy class flight between New York and the UK. If you're flying on the day of embarkation/disembarkation, or have booked your New York hotel through Cunard, then transfers are included.

The Cunard Fare includes flights from a range of UK airports. If you would like return flights from your regional airport\*, we can fly you between your regional airport and New York and then between Southampton and your regional airport from £90 per person. Transfers between the ship and Southampton Airport (or vice versa) are included, but should you wish to make your own arrangements, please let us know.

\* Please note that not all regional flights operate to New York on a daily basis, so indirect flights may be offered as an alternative.

All flights are subject to availability.

### Regions of the World and Grand Voyages, by Cunard.

Our Cruise only fares give you the flexibility to make your own travel arrangements, if you would prefer to make them, please call us on 03453 550 300^

Occasionally flight times necessitate an overnight stay in the port of embarkation/disembarkation, in which case hotel accommodation will be provided.

Wherever your holiday starts or ends we can tailor your flights to suit your requirements.

Whether you're flying straight to your ship or have booked a land tour or hotel stay through Cunard, we will help to enhance your journey.

### Add another destination.

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your cruise.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your cruise finishes in Auckland why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Seattle before joining Queen Elizabeth in Vancouver.

Prices will vary depending on the flights that you choose, so please call for a quote.

**For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300\*.**

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

## Fare information.

### Cunard Fares.

There is a wide range of accommodation available and you will be able to find the fare for the stateroom grade you would like by going online or by calling us or your travel agent.

Fares may rise as availability becomes restricted as cruises get closer to departure.

Our Cunard Fares benefit from the following advantages:

- ◆ Available on all cruises regardless of when you book.
- ◆ Choice of stateroom number (subject to availability).
- ◆ First priority for receiving your chosen dining seating time (in the Britannia Restaurant) and table size.
- ◆ Highest priority for receiving stateroom upgrades (where applicable).
- ◆ Complimentary shuttle buses in port to get from the ship to the nearest town or transport hub (where applicable and provided by Cunard).
- ◆ 15% deposit.
- ◆ Flexibility to change your booking (subject to our booking conditions).
- ◆ Plus a choice of benefits as follows:

#### On board spending money

Available on cruises of seven nights or more. On board spending money varies by cruise duration and is based on the number of nights spent on board. It can be used for the purchase of drinks, shore experiences (purchased on board only), spa treatments, or in the on board shops. It is not transferable, cannot be redeemed for cash, used for medical charges, on board gaming (including casino), to make charity donations, to pay for international visas, or a future cruise. Overnight flights do not qualify for on board spending money.

#### Car parking at Southampton

Car parking in a secure car park (one space per booking) is available on all Southampton roundtrip cruises of seven nights or more (with the exception of 2022 Oceans of Discovery Cruises). Please let us know at the time of booking if you wish to use this service and then contact Cruise & Passenger Services Ltd (the operator) direct on 0345 071 3939 or via [cruiseparking.co.uk](http://cruiseparking.co.uk) to arrange your car parking, at least 10 days in advance of your departure.

### Return coach transfers

Return coach transfers are available on all Southampton roundtrip cruises of seven nights or more (with the exception of 2022 Oceans of Discovery Cruises). Coach transfers are available to all guests on the booking. - ◆ Your preference of dining time in the Britannia Restaurant will be confirmed on boarding, subject to availability.
- ◆ Cunard will assign your stateroom location and number.

### Third and fourth guests.

Some staterooms have accommodation for a third or fourth person. Please visit [cunard.com](http://cunard.com), call 03453 550 300^ or contact your travel agent for fares. You can refer to deck plans shown on pages:

Queen Mary 2	103-105
Queen Victoria*	106-108
Queen Elizabeth	109-111

\*Although certain Queens and Princess Suites can accommodate a third/fourth berth, these are capacity controlled by the numbers of covers available in the restaurants. Please call for availability.

### Children.

- ◆ Cunard cannot accept any child under the age of 6 months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Grand Voyages, or Transatlantic Crossings.
- ◆ Children pay the applicable adult per person fare when travelling as a first or second guest.
- ◆ Infants aged between 6 months and 2 years, accommodated as a third or fourth guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of 6 months and 2 years travelling where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.
- ◆ Guests aged 2 to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.
- ◆ Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 16 or over.

### Single guests.

Single staterooms are available on board all ships. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement as follows:

#### Queen Mary 2

- ◆ Grades Q1-Q7, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BB, BC, BF, BU, BV, BY, BZ, DB, DC, DF, EF, HB, IA, IB, IC, IE, IF – 175% of the per person fare.

#### Queen Victoria

- ◆ Grades Q1-Q6, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BA, BB, BC, BD, BE, BF, CA, CB, EB, EC, EF, FB, FC, GA, GB, GC, IA, ID, IE, IF – 175% of the per person fare.

#### Queen Elizabeth

- ◆ Grades Q1-Q6, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BA, BB, BC, BD, BE, BF, CA, CB, EB, EC, EF, FB, FC, GA, GB, GC, IA, ID, IE, IF – 175% of the per person fare.

Please note that the percentage of the sole occupancy supplement may be increased without prior notification.

### Cruise Only Fares.

Guests who wish to book their flight and land arrangements independently should contact our Customer Contact Centre on 03453 550 300^ to request a Cruise Only allowance.

If you take our Cruise Only option, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your e-ticket.

### Stateroom changes.

Occasionally it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same or a higher stateroom grade at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and would not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at the discretion of Cunard. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

### Guarantee staterooms.

When you or your travel agent make a reservation you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is because we know from experience that a small number of guests will be compelled to cancel their arrangements, thus leaving the accommodation vacant.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate a stateroom number you can rest assured you will be given a stateroom of the type you have booked, or in some instances, of a higher rate, though it may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

### Bar and wine services.

A 15% service charge is automatically added to your on board account, which is shared amongst the beverage team. Naturally, you are free to reward any member of the crew over and above these amounts, at your discretion.

### Spa and salon services.

For your convenience a 12.5% service charge will be added to your account. However, should you wish to remove, reduce, or increase the amount, please make this request during check out.

## Travel information.

Your travel agent will be able to tell you if there is any current advice for the countries you are visiting. Alternatively, you can visit the Foreign and Commonwealth Office website at [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice).

The information in this section is for holders of British Citizen passports only and is correct at the time of going to print.

Anyone who does not hold a British Citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

### Passports.

If you are a British Citizen, a full passport is required for all cruises. All British Passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have some blank pages in your passport for entry and exit stamps. All British Citizens require a full 10-year British Passport for all cruises. Children need their own passports. It is important that names and initials on the passport exactly match those on your tickets.

Please note that British Visitor Passports are no longer valid. British Subject passport holder requirements may differ so please check them before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British Citizen passport, you may be required to attend interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports. For further information, please contact the Identity and Passport Service Advice Line on 0300 2220 000, visit the website at [direct.gov.uk](http://direct.gov.uk) or email: [info@passports.gov.uk](mailto:info@passports.gov.uk).

If you DO NOT HOLD A BRITISH CITIZEN PASSPORT, your passport, travel documentation, and visa requirements may be different. You should check with your travel agent or our preferred visa supplier, CIBT (0845 899 7256), to ensure you have the correct documentation.

### Visas.

The visa advice included in this brochure is applicable to cruises featured in this brochure only and for British Citizen passport holders only. If you do not hold a British Citizen passport your situation may be different and you should seek advice from your travel agent or the relevant Embassy/Consulate. Your passport must contain adequate blank pages for any visas and subsequent stamps. We suggest that you bring a few photocopies of the photograph/personal details page of your passport with you. This may be necessary for some ports of call.

The current cost of obtaining an ESTA is USD\$14.00, although this is subject to change at any time. All payments must be made directly to the official Department of Homeland Security ESTA website above using a credit card or debit card. Other websites may charge a higher fee for the same service. CIBT can apply for an ESTA on your behalf for an extra charge – please contact them on 0845 899 7256.

Should you require further information regarding passports or visas, please contact our recommended visa agent, CIBT on 0845 899 7256.

#### Australia/Sri Lanka

A visa will need to be purchased prior to travel, whether you are embarking,

disembarking, in transit, or staying on board. If you decide to apply for your visa(s) through Cunard's recommended agent, CIBT, you will have to pay an additional charge.

#### Canada

Nationals of Visa Waiver Program (VWP) countries may enter Canada without a visa after completing an Electronic Travel Application (eTA). To check if this applies to you and/or to apply for an eTA please visit: [www.cic.gc.ca/english/visit/apply-how.asp](http://www.cic.gc.ca/english/visit/apply-how.asp)

If you do not have a full British Citizen passport or a passport from another country eligible for the VWP please check to ensure you have the correct documentation for your holiday.

#### Egypt

For British Citizens, Irish Citizens, US, Canadian, and European Community passport holders, a Quick Stamp visa for Egypt will be issued upon the ship's arrival in Egypt. Therefore you are not required to obtain an Egyptian visa in advance of your cruise. There is currently no charge for the Quick Stamp Egyptian visa.

#### Hong Kong

A visa is not required for entry into Hong Kong.

#### New Zealand ETA

International travellers, who are Visa Waiver nationals, may enter New Zealand without a visa after obtaining an approved New Zealand Electronic Travel Authority (NZeTA). Please note that all guests travelling with an NZeTA must present a print out of a successful NZeTA application at check in. Obtaining NZeTA approval, for most travellers, will be simple and easy. To apply for your NZeTA, please follow this link to the NZeTA application website <https://www.etanewzealand.com/>. The cost of obtaining an NZeTA is currently NZ\$12.00 (however this is subject to change at any time) and payable during the application using a credit or debit card.

Approved NZeTA applications are valid for a period of two years or until the passport expires, whichever comes first, and multiple trips to New Zealand without the traveller having to reapply for another NZeTA. When applying for you NZeTA, a tourism levy of NZ\$35 must also be paid which is valid for the same length of time as the NZeTA.

#### Indonesia/Jordan/Oman/Papua New Guinea/United Arab Emirates/Vietnam

Visas for these countries will need to be purchased and can be obtained on board. The relevant fee will be charged to your on board account.

#### Russia

Group visas are automatically arranged for all guests who have booked a Cunard shore experience. A photocopy of the photograph/personal details page of your passport is required in order to pass through Russian Immigration. To go ashore independently in Russia, a visa is required which can be obtained from the Russian Embassy or CIBT. A visa support letter must accompany your application for a visa and this can be arranged along with your visa through CIBT by calling 0845 899 7256.

#### South Africa

Guests are required to have two fully blank pages in their passports. If travelling with children please contact the South Africa High Commission for information on 020 7451 7299.

#### Schengen Visa information

Non-European passport holders may require a Schengen Visa for entry into Continental Europe. The United Kingdom is not a Schengen State member. British Citizen passport holders do not require a Schengen Visa.

Schengen State members are: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland.

**Please note that it is your responsibility to have a valid passport and the appropriate visas for your journey.**

### Travel health information.

#### Vaccinations

Vaccination requirements vary by destination and change from time to time. We recommend that you seek advice from your medical practitioner or travel medicine clinic at least six weeks before your cruise. You should discuss your personal travel

plans in order to obtain appropriate advice and any recommended prophylactic medication and vaccinations prior to travel.

It is your responsibility to have with you any necessary health certificates. Please check below for mandatory requirements.

Seasonal influenza vaccination is recommended for all guests; you should speak to your GP about receiving the flu vaccine before you travel.

The health and wellbeing of all our guests is important to us. You will find further travel health advice on the UK government funded website at [www.travelhealthpro.org.uk](http://www.travelhealthpro.org.uk)

#### Yellow Fever

There are currently no Yellow Fever vaccination requirements for the itineraries published in this brochure. However, this is subject to change and you are therefore advised to discuss your itinerary with your medical practitioner or travel medicine clinic and review any vaccination information provided to you from Cunard before your cruise. You can also find further information on the government funded website at [www.travelhealthpro.org.uk](http://www.travelhealthpro.org.uk)

#### Polio

For certain nationalities there is a requirement to provide evidence of having had a Polio vaccination in the four weeks to twelve months prior to visiting the following countries: Qatar, Oman, Jordan and Egypt. This requirement is in place for nationals of Polio exporting countries including but not limited to, Afghanistan, Nigeria, Pakistan and Philippines. This list is subject to change so please discuss with medical practitioner or travel medicine clinic at least 6 weeks prior to your planned cruise.

#### Malaria

Guests are strongly recommended to visit their medical practitioner or travel medicine clinic to discuss their personal travel plans. Please take a copy of your itinerary including pre/post voyage travel with you so a full risk assessment can be made and the appropriate malaria prevention advice given.

#### United Arab Emirates/Japan drug warning Queen Mary 2 and Queen Elizabeth

Please be aware that some prescriptions, over the counter drugs, complementary therapies, and other medicines that are purchased in the UK may be illegal in the United Arab Emirates and are therefore banned in the country. Japan also has rules regarding such medication. Codeine, for example, is banned and no products containing codeine, which may include paracetamol, may be imported or sold in the United Arab Emirates. An Import Certificate from the Japanese Authorities would be required in order to take such products into Japan. Penalties can be severe if banned substances are found when entering these countries.

If you are taking medication and are in any doubt then please contact United Arab Emirates London Embassy Medical Department on +44 (0) 207 486 6281, or the Japanese Embassy on +44 (0) 207 465 6500 prior to your arrival. You may also check for further information at [www.fco.gov.uk](http://www.fco.gov.uk).

Anyone travelling with medications and/or syringes to any country should carry a prescription with them. All medications should be kept in their labelled dispensing bottles or packages. If the medications are "controlled" or injectable drugs it is also advisable to carry a Doctor's letter.

### Required hotel stays.

Cunard will arrange flights and transfers for you to join your ship on the day of embarkation. However, where the included flight timings necessitate a pre-/post-cruise overnight stay, Cunard has included in your cruise fare a hotel room at the international port of embarkation/disembarkation for the night before or after your cruise.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the cruise Booking Conditions on pages 128-131. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before or after a long flight. If you wish to have time to explore your city of embarkation/disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages or land tours on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

### International flight arrangements.

Where your fare includes a flight, this will be in economy class from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The inclusive airport varies by cruise and date of booking and supplements apply to other departure airports.

For details of how we can tailor your flights, please see page 89.

### Baggage allowance.

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at [cunard.com](http://cunard.com). While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

### Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your e-ticket, an excess baggage charge will be made by the airline at check-in.

Please note Cunard is not responsible for airlines' baggage restrictions.

### All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- Flights will not necessarily be direct or non-stop. All flight times, air carriers, and flight routings are subject to change. Cunard has no control over any changes airlines may make to flight times, but will inform you of any changes.
- Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- When we charter aircraft from an airline we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- We will determine the city airport e.g. for London either Heathrow, Gatwick, or London City may be used and this may not be the same for your outbound and return flights. Therefore you may have to transfer, under your own arrangements, between London airports. For Québec, Québec or Montreal may be used.
- Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our medical and mobility questionnaire, you may be required to provide additional information directly to the airline in order that they can assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry an electrical mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to

obtain seats together.

- Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- For long haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person plus any costs charged by airline. Costs vary depending on the airline and the change(s) you want to make.
- To comply with the immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
- If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket as our transfers will not be included. You will also need to make your own transfer arrangements between the airport and the ship.

### Transatlantic Crossings.

- The Cunard Fare includes economy class flights between New York and London, Belfast, Edinburgh, Glasgow, or Manchester. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver fare.
- We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

### Regional departures – please note:

- The regional flight supplement is in addition to any Cunard Fare.
- Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided

- and any regional supplement will be refunded in full.
- Regional flights will not necessarily be direct or non-stop.
  - If a same day connection is not possible, the cost of any overnight accommodation will be at your own expense.
  - Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
  - If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
  - Transfers between London airports are not included.

### Carriage of dogs.

Cunard can accommodate service dogs on certain cruises, dependent on itinerary and according to UK quarantine regulations. Please ensure you contact us prior to booking to ensure your chosen cruise is suitable. Service dogs are accommodated in staterooms with their owners.

Non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels and are not allowed to visit

any guest area of the ship. It is your responsibility to obtain all the relevant documents and certificates and comply with customs requirements to allow the service dog to travel. Please refer to the DEFRA website at [defra.gov.uk](http://defra.gov.uk) for details.

### Environmental statement.

At Cunard we take our environmental responsibilities very seriously and are committed to reducing our environmental impact.

We are dedicated to preserving the marine environment in which we operate, and therefore believe it is our duty to introduce environmental practices, which set a high standard of excellence and responsibility. To support our aim we have developed an environmental management system independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance.

We recognise that without appropriate treatment the waste generated on board our ships, together with the fuel and other products we use to transport, feed, entertain, and take care of you, could have an impact on the environment. Our waste treatment facilities ensure that all waste water is appropriately managed to minimise its impact upon the oceans.

All general waste is treated on board to reduce its volume prior to landing ashore, and wherever possible general waste is recycled. We are reducing our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat, and improved efficiency in air conditioning, and we continue to explore new technologies. To help us meet this aim we have an externally certified Energy Management System certified to ISO 50001.

Through these measures and other initiatives Cunard will ensure that we help preserve our environment for future generations.

Events subsequent to the printing of the brochure may cause us unavoidably to change our plans, which could affect the published itineraries and fares. In the event of any changes or alterations to your booking, you will be notified as soon as reasonably possible, but Cunard gives notice that all information in this brochure is subject to alteration with or without notice. ## Frequently asked questions.

### Before you sail.

#### Ask Cunard.

Whether you're new to cruising or a seasoned expert, Ask Cunard is here to help. You will find answers to the most popular questions. If you're unable to find what you're looking for within these pages visit: [cunard.com/en-gb/frequently-asked-questions](http://cunard.com/en-gb/frequently-asked-questions) for a wealth of information.

#### What's included in my fare?

See page 112 for details.

#### Do I need a passport, visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to. Full details of these requirements are on pages 114-115.

#### Do I need to take out travel insurance?

Yes. It is a condition of the contract that you obtain travel insurance to cover the risk of you needing medical care on board or in a foreign country. We have a relationship with Holiday Extras who can offer comprehensive travel insurance covering our requirements. You'll find further details on page 125 and you can obtain a quote and full terms and conditions from [holidayextras.com/cunard](http://holidayextras.com/cunard) or by calling 0800 316 3061.

#### If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. Not only are you invited to a 'Welcome Cocktail Party' for all our guests, you might also want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends. On all of our ships there are dance hosts to accompany dancers in a waltz or rumba.

#### What do I wear on board during the day?

You'll need to pack a range of summer or warmer clothes, depending on your itinerary and the time of year you travel. On board during the day, you'll probably find yourself most comfortable in stylish casual wear, including shorts and smart jeans. Swimming costumes, micro shorts, sarongs, and gym wear should be reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any enclosed areas.

#### Do I have to dress for dinner every evening?

Dressing up elegantly for dinner is one of the great thrills of a Cunard holiday, yet we also want our guests to feel relaxed. So each evening our dress code will either be:

##### Gala Evenings

Dinner jacket, tuxedo, or dark suit with regular bow tie for gentlemen. Evening or cocktail dresses, smart trouser suit, or formal separates for ladies.

##### Smart Attire

Smart trousers with a shirt and jacket for gentlemen; tie is optional. Ladies, blouses and skirt or stylish trousers and dresses are welcome.

As a guide, on board Queen Elizabeth, Queen Victoria, and Queen Mary 2 cruises there are two to three Gala Evenings per week. On Queen Mary 2 Transatlantic Crossings there are three Gala Evenings. On Oceans of Discovery Cruises there will be up to three Gala Evenings per week, as well as themed balls scheduled throughout the voyage.

Details can be found on My Cunard at [cunard.com](http://cunard.com). The evening dress code will also be specified in your ship's Daily Programme, which is delivered to your stateroom each evening. Evening attire comes into effect from 6.00pm.

On Gala Evenings, guests wishing to dress in more relaxed clothing are welcome to dine in the Lido and Kings Court restaurants. Bars and lounges with a relaxed dress code include the Carinthia Lounge, Winter Garden, Garden Lounge,

Yacht Club, Golden Lion, and G32. They should not use other areas within the ship, including The Verandah restaurant, out of respect for their fellow guests.

#### Does my stateroom grade determine where I eat?

Only in respect of your formal dining arrangements. On all ships your accommodation is paired with a specific restaurant. Please see page 102 for details.

#### Are there any other places to eat on board?

All ships offer alternative dining options, which are available to everyone:

##### Queen Mary 2

Boardwalk Cafe, Carinthia Lounge, Golden Lion, Kings Court, Sir Samuel's, and Steakhouse at The Verandah restaurant.

##### Queen Victoria

Chart Room, Golden Lion, Lido restaurant, and Steakhouse at The Verandah restaurant.

##### Queen Elizabeth

Café Carinthia, Golden Lion, Lido restaurant, Steakhouse at The Verandah restaurant, and Garden Lounge.

In addition each ship will offer alternative dining cuisine each evening:

Italian, Indian, Pan Asian, Tex Mex, and American Smokehouse menus are available at the Kings Court buffet on Queen Mary 2, or the Lido restaurant on Queen Victoria and Queen Elizabeth.

Advance bookings are required for Steakhouse at The Verandah restaurant as well as the speciality dining options in the evening offered in the Lido and Kings Court respectively. These dining options carry a nominal charge.

Room service is also available 24 hours a day.

#### What does single-seating dining mean?

It means that guests have the flexibility to dine at their reserved table any time between 6.30pm and 9.00pm in the Queens Grill, Princess Grill, and Britannia Club restaurants.

#### What if I need a special diet?

Please advise us of your needs six months prior to departure or at the time of booking, whichever is closer to your departure date. Whilst every effort is made to ensure that special dietary requests are met, please note this cannot be guaranteed.

#### Kosher

For guests who require Kosher food, we are pleased to provide this for dinner only. Please advise us at the time of booking where we will send you a menu to make your selection; this must be returned no later than six weeks prior to departure. Unfortunately, we are unable to offer Kosher food for bookings that are made less than four weeks prior to embarkation.

#### Are there any bars or lounge areas on board?

On all ships there is a Commodore Club, Golden Lion pub, The Pavilion, Queens Room (Afternoon Tea), and Churchill's Cigar Lounge plus:

##### Queen Mary 2

Chart Room Lounge and Bar, G32 (nightclub), Champagne Bar, Carinthia Lounge, and Sir Samuel's.

##### Queen Victoria

Chart Room Lounge and Bar, Yacht Club, Midships Lounge, and Winter Garden.

##### Queen Elizabeth

Café Carinthia, Midships Bar and Lounge, the Garden Lounge, and Yacht Club.

#### What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 pages 90-93, 103-105  
Queen Victoria pages 94-97, 106-108  
Queen Elizabeth pages 98-101, 109-111

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview

grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic way to watch the ever-changing views.

#### What is a hotel and dining service charge?

From your waiters and stateroom stewards to the many more people supporting behind the scenes, every Cunard crew member puts their heart and skill into ensuring you experience Cunard's legendary White Star Service. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account and every dollar collected goes directly to the crew members. There is no administrative fee. Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

Casino, Bar, Wine, and Spa personnel do not share in the hotel and dining service charge, as not all guests use their services.

#### How are these charges calculated?

Amounts vary by stateroom category as follows:

##### Queens and Princess Grill Suites

\$13.50 per person per day

##### Britannia Staterooms

\$11.50 per person per day

The £ sterling equivalent is based on Cunard's exchange rate at the time of going to press. Naturally, you are free to reward any member of the crew over and above these amounts at your discretion.

#### What is the currency on board and how do I pay for items I buy?

The currency on board all ships is the US dollar, and you'll find the Purser's Office acts as a handy financial centre. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Guest ID card. Our ships do not accept cash, except at the Purser's Office, for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted on to your account you will need to register your credit card at check-in. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash then please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

#### How do I register my card at check-in?

The check-in team will ask you for your card whilst they are checking you in for your cruise. For security reasons the card will never leave your sight. The card will be run through a swipe and all details are immediately encrypted. At no time can either the check-in staff or the ship staff see your credit card details. We accept the following major cards, Visa Credit, Visa Debit, MasterCard, American Express, Diners Club, and Discover. We are unable to accept Solo, Maestro, Switch, and any pre-paid credit cards.

#### How can I avoid issues with my credit card?

At check-in you will be asked to register a credit or debit card to cover your on board spending. An amount of \$100 will be authorised on your registered card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured \$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 28 nights your credit card will be charged mid cruise and at the end. Please therefore ensure that you have sufficient funds to settle your account.

These authorisations can remain on your account for up to 28 days. You may therefore want to contact your card provider on your return to release these authorisations. Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

#### When will I receive my tickets and itinerary information?

Approximately 35 days prior to your departure date your electronic documentation will be available through My Cunard at [cunard.com](http://cunard.com). This includes information relating to any hotel stays or land tours booked.

#### How will I know which shore experiences are available?

Around 85 days before departure the shore experiences available to you can be booked in advance either online via My Cunard at [cunard.com](http://cunard.com) or through our Customer Contact Centre.

Advance bookings must be made at least three days prior to the start of your cruise. Whilst on board, our port-of-call talks will help you get the most out of our shore experiences.

## What if I feel seasick?

Don't worry – your ship's doctor is always on hand with a remedy. Seasickness is best countered with an injection or tablets, which should soon have you feeling shipshape again and settle you for the duration of your stay on board.

## Is there enough to do during days at sea?

Yes, plenty! You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening each day.

## What about beauty treatments and hairdressing?

Our ships offer superb spa facilities, including an on board hair salon, a wide range of spa and beauty services, and well-being classes, all available throughout your cruise. For details of the spa services available on board please visit the 'Our Ships' section of [cunard.com](#).

## Can I travel when pregnant?

Guests who will have entered their 24th week of pregnancy or beyond at any point in their holiday, unfortunately will not be permitted to travel with us in line with our pregnancy policy. If you require further information then please call us on 03453 550 300\*.

## Can disabled guests travel?

This section relates to all matters involving mobility disabilities, wheelchair, and mobility scooter use; sensory and auditory disabilities including blind and/or deaf persons; as well as any other disability which may affect your enjoyment of your time on board.

Before making a booking, please familiarise yourself with clauses 18-24 of the Booking Conditions in this brochure (see pages 128-131). All guests requiring specific assistance, facilities, or equipment on board or wishing to bring such equipment on board, must advise Cunard at the time of booking and are required to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

All of our ships cater for guests bringing wheelchairs or mobility scooters. With lifts and wheelchair accessible routes to all public rooms and the vast majority of deck areas, as well as a number of staterooms adapted for wheelchair users, we aim to make your stay as relaxing and

comfortable as possible. Please note that our wheelchair accessible staterooms are strictly reserved for use by guests who are bringing wheelchairs or mobility scooters, or who have a requirement for the adapted facilities offered by these staterooms. Cunard reserves the right to require guests who have booked this accommodation without due reason, to move, at their own expense if necessary, to make room for another guest who requires this facility.

Our wheelchair accessible staterooms are built to ADA (Americans with Disabilities Act) standards and it is not possible to make any temporary additions or make structural changes to these staterooms for specific guests.

If you are planning to bring a wheelchair, mobility scooter, or any other specialist equipment on board with you, it is essential that you let us know at the time of booking or as soon as the need is known so we can advise you appropriately. Mobility scooters will only be permitted on board if guests have booked into a wheelchair accessible stateroom, or suite, as these are the only types of accommodation where mobility scooters can safely be stored. Part-time wheelchair users travelling in non-wheelchair accessible staterooms must bring a collapsible wheelchair, to ensure the wheelchair can safely fit through their stateroom door and be accommodated in their stateroom.

Please note that for the safety of the ship and everyone on board, all wheelchairs, mobility scooters, and other aids to mobility must be stored inside your stateroom when you are not using them. Failure to comply with this important safety rule may mean you are disembarked and refused future travel.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew are always very helpful, they are only able to provide limited assistance in helping you move around the ship. For this reason, and in order to ensure the safety of the guest, the ship, and all others on board, we recommend guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair, or communication support, to be accompanied by a personal assistant/ travelling companion to provide these services. Blind/Visually Impaired guests are recommended to travel with a companion who can help you get your bearings and assist you both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. If you travel alone but it becomes clear that you are unable to cope on board, you may be required to discuss the situation with a member of the ship's company and in extreme circumstances, you may be asked to disembark the ship at your own expense.

## Mobility Ashore.

When choosing your cruise please bear in mind that it may not be possible for wheelchair users to get ashore at ports of call. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are La Coruña, Le Havre, Lisbon, Zeebrugge, Canary Island ports, Hamburg, Boston, Halifax, Québec, Darwin, and San Francisco. At ports where it is not possible to use the ship's brow, all access to shore will be by a narrow stepped gangway that pivots to take account of the tide, known as the accommodation ladder. When the accommodation ladder is in use, you will need some independent mobility in order to walk down the gangway. Each of our ships carries a wheelchair 'stair climbing' machine which, where appropriate, may be used to allow wheelchair users to go ashore provided they transfer between their own wheelchair and the wheelchair that is fitted to the stair climber at the top and bottom of the accommodation ladder. The stair climber cannot be used with electric wheelchairs – these will need to be taken ashore separately.

Our shore experience descriptions set out to offer practical advice based upon our operating experience. We would strongly advise you to read the experience descriptions to make sure that your chosen experience is suitable for your individual personal requirements. We use our best efforts to obtain appropriate transport although it is not always possible for us to secure fully accessible vehicles. Please note that due to applicable safety requirements, the design of the ship, or port infrastructure and equipment, in certain ports of call it may not be possible for us to offer a shore experience programme, or shuttle bus service, suitable for guests who are not able to board a coach via the steps with only the aid of their travelling companion. Taxis are usually available for hire close to the ship's berth should guests wish to travel independently.

Please call our Customer Contact Centre to discuss mobility during Land Tours, as not all our tours may be suitable for guests with reduced mobility. For further information on accessibility please visit our website at [cunard.com](#).

For further information about travelling with disabilities, please contact our specialist Disability team on 03453 550 300\* (Monday-Friday 9.00am-5.00pm) or by email at [disability@cunard.co.uk](mailto:disability@cunard.co.uk).

## Can I change my holiday after booking?

Please see Booking Conditions clauses 12-17 and clause 38 on pages 128-131.

## Joining and leaving your ship.

### How do I join my cruise?

You can make your own way to the port or airport. Alternatively, why not take advantage of our Cruise Connections, with its comprehensive range of air and chauffeur services? To find out more, please see pages 88-89.

### How much luggage can I bring?

On cruises sailing and returning to Southampton, you can bring as many bags as you can comfortably fit into your stateroom. Please attach a Cunard issued luggage label to each item of luggage as they are essential for quick delivery to your stateroom. Please bear in mind when you are packing that the weight of an individual piece of luggage must not exceed 23kg to ensure safe handling. If an individual piece of luggage exceeds 23kg you will be delayed at embarkation and may be asked to remove items or re-pack your bags. You may also find that your luggage is delayed at disembarkation if any of your bags exceed this limit.

On cruises involving flights, baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at [cunard.com](#). While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

### If I wish to stay in Southampton the night before or after my cruise, can you suggest a hotel?

Yes, we have negotiated special rates on your behalf at the DoubleTree by Hilton Southampton hotel and our new Flagship hotel, Southampton Harbour Hotel & Spa. You'll find details on [cunard.com](#).

### Can you suggest a hotel near Heathrow or Gatwick airport?

Airport hotels are available in the UK if your holiday includes an overseas flight. For details on how to book please visit My Cunard at [cunard.com](#).

## If sailing from Southampton, at what time do I have to check in?

To ensure a relaxed start to your cruise we operate a staggered check-in schedule. Your embarkation time will be advised around 40 days prior to departure on your e-ticket. Cunard Grills guests and Cunard Diamond and Platinum World Club members will receive priority check-in.

## What happens to my luggage in Southampton?

When you arrive at the terminal, your luggage will be collected by a porter, screened by security, and delivered directly to your stateroom for your convenience.

## What time does the ship depart from Southampton?

The ship will generally leave Southampton at around 4.30pm, although this may change depending on how many ships are in Southampton on the same day and for other operational reasons. Your embarkation time will be shown on your e-ticket. All guests must be on board no later than an hour before departure.

## What time does the ship arrive in Southampton?

The ship will generally arrive into Southampton at around 6.30am. Guest disembarkation usually takes place between 8.00am and 11.00am, subject to operational approval.

## Where does the ship depart from in New York?

Cunard uses both Brooklyn and Manhattan Cruise Terminals, so please ensure that you check your documents for confirmation of which terminal you will be departing from. Guests arriving by private car should drop off luggage and guests at the terminal curb side before proceeding to either the on-site or off-site parking. Upon entering the terminal, guests will be directed towards the security, guest screening, and check-in area.

## Can I send my luggage in advance?

Yes you can\*. No more lifting suitcases, luggage check-ins, or the hassle of baggage claims and customs clearance. With just one call, Cunard's exclusive White Star Luggage Service can handle the rest. We'll pick your luggage up at home and have it waiting for you in your stateroom. And we'll ship it right to your front door at the end of your cruise. You can even add it to your pre- or post-cruise extension for hands free travel! For more information call 0800 051 6414 (between 2.00pm and 9.00pm). Alternatively please e-mail: [whitestarluggage@cunard.com](mailto:whitestarluggage@cunard.com).

\*Not available in all ports of call.

## What about flight details?

We may not know exact details of your flights at the time of going to press or at the time of booking. However, your flights will be on scheduled flights or recognised charter airlines (operated under Cunard's CAA ATOL Licence number 6294). Please see pages 116-117 for details. Once your flights have been confirmed you will be able to view the details on My Cunard at [cunard.com](#).

## What happens to my luggage at the end of the cruise?

On your final night on board, you will be asked to pack your luggage and leave it outside your stateroom. We recommend that you do not pack valuables, fragile items, or medication.

On the morning of disembarkation, after you have come through Customs, your luggage will be waiting in the cruise terminal for you to identify and reclaim. In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

After retrieving your luggage and exiting the terminal building, you will be directed to awaiting coaches, taxis/executive cars, and car parking. Guests with cars may first retrieve their car and then pick-up luggage and fellow travellers. If you have purchased a Cunard ship-to-airport transfer or hotel stay, you will be directed by uniformed Cunard representatives to the transfer departure point. If your friends or relations are meeting you at the terminal, please be advised that disembarkation may take up to four hours after the scheduled arrival of the ship in order to clear immigration and customs formalities. Disembarkation generally takes place between 8.00am and 11.00am.

For Fly-Cruises, luggage will be taken from outside your stateroom to the cruise terminal, where you will need to reclaim it and take it through Customs.

## On board.

### Do you hold emergency drills on board?

Cunard ships are among the safest afloat. An emergency drill for guests will be held before the ship sails from her embarkation port on each cruise. Attendance at these drills is mandatory in accordance with International Maritime Law. In your stateroom, you will find a black folder containing safety information which describes the emergency procedures and designates the route for the guest assembly station to which you have been assigned. In addition to actively participating in the drills, you are urged to study this information carefully and familiarise yourself with the use of life jackets, which are provided for every guest. Children's life jackets are available from your stateroom steward.

### What languages are spoken on board?

English is the official language on board, with all announcements and printed information in English. As an international company with worldwide cultural appeal, we also provide assistance in French, German, Spanish, and in some instances Japanese.

### What is the Purser's Desk?

The Purser's Desk in the ship's Grand Lobby is the place for all general enquiries and where you can settle your on board account and check for any lost and found items.

### Is lunch served on the day of embarkation?

The buffet will be open on board for guests from the start of embarkation. Further information will be available on board once you have embarked the ship.

### Can I bring alcohol on board?

You may bring wine or champagne on board to celebrate special occasions. However, if it is consumed in any of the dining rooms, alternative restaurants, or bars then each bottle will be subject to a corkage fee.

### Can family and friends come on board?

Your family and friends are always welcome at the port to wave you off. However, owing to stringent security measures, we regret that visitors will not be allowed on board any Cunard ship at embarkation, disembarkation, or in any port of call.

### How will I get my bearings on board?

To help you get your bearings on board, there's a ship's plan in your stateroom, plus further plans at convenient locations throughout the ship showing you where you are. If you do get lost, a member of the crew will be only too happy to help.

### What channels are available on my stateroom television?

Every stateroom has its own television featuring satellite news and entertainment channels. Along with a movie channel featuring a wide selection of first-run movies, we also offer the latest sitcoms and dramas as well as specialist programming and a bespoke morning TV show presented and produced on board. Plus, for sports fans we offer several major sporting events. Please note that reception of some channels may be limited in certain areas of the world.

### Where can I keep my valuables?

All staterooms are equipped with a safe into which you can programme your own personal code.

### Can I have room service?

Of course. Room Service is available round the clock. You'll find a Room Service menu in your stateroom.

### Can I get my laundry done?

Full laundry and cleaning services are available on board our ships and will be billed to your on board account. Our ships also have complimentary self-service washers, dryers, and irons at your disposal.

### Do you sell duty-free alcohol on board?

Yes. Duty and tax-free alcohol is available for purchase and will be delivered to your stateroom on the last day of your cruise.

### What is the minimum legal drinking age on board?

Guests who are under 18 years of age are not permitted to purchase or consume alcohol on board. However, whilst in U.S. waters, Cunard enforces and abides by the U.S. legal drinking age of 21 years.

### Can I record video on board?

Feel free to video record on board during your cruise. However, please note that recording entertainment performances is not permitted for copyright reasons.

### What entertainment and activities are available?

There's plenty to do and a full list of what's available will be shown in the Daily Programme, which you will receive each evening in your stateroom. Activities include: informal talks, port lectures, academic and cultural enrichment programmes, celebrity speakers, computer classes, fitness classes, sports tournaments, games, quizzes, and competitions, as well as concerts, musical shows, and theatre productions. You can also catch up on movies.

### What games do you offer in the casino?

Our on board casinos offer the most popular table games, including blackjack, roulette, and poker. Complimentary gaming lessons are also held during each cruise. We also offer a range of exciting slot and video game machines, as well as regular bingo sessions held throughout each cruise. Please note that guests under the age of 18 are not permitted to gamble or be in the casino, and that neither Cunard on board spending money nor personal gift credits can be used for casino charges.

### Will I be able to attend religious services?

A Catholic Priest will be permanently on board Queen Mary 2 and on board Queen Elizabeth and Queen Victoria during major religious holidays. A Rabbi will also be on board during major religious holidays. Non-denominational services are conducted at sea. During cruises coinciding with a major religious holiday, ecumenical clergy will be aboard to conduct services.

### How can I keep in touch with people?

All staterooms have direct-dial telephones. You can send emails from the computer rooms and, where available, through wireless communications. Our ships are equipped with an advanced wireless network which allows guests to use their mobile phones when the ship is at sea. This international roaming service is enabled by and charged via your home operator who can also provide you with exact rates. You can then use your phone as you would at home.

### What is the smoking policy on board?

The safety, comfort, and enjoyment of all our guests has always been a key concern at Cunard. With this in mind, as a direct result of the feedback we have received from our guests, we have amended our policy with regard to smoking on board Cunard ships as follows:

All public spaces (with the exception of designated smoking areas) including restaurants and outdoor dining alternatives are designated as non smoking within the ship. Smoking is not permitted in staterooms, on balconies, or in public areas (with the exception of Churchill's Cigar Lounge, which is reserved for cigar and pipe smokers only).

Electronic cigarettes and vapourising devises, including those that do not emit smoke, are only permitted in designated smoking areas. Designated smoking areas on the open decks will be clearly signposted and noted in the Daily Programme. Some countries have strict rules around the use of electronic cigarettes, please visit the foreign office website for information.

### Do you use security cameras on board?

Cunard may operate closed circuit television (CCTV) in certain areas on board the ship during your cruise.

### What happens if I am unwell?

Each ship has a Medical Centre on board, supported by fully qualified doctors. We are proud to be able to say that all of our medical centres are accredited by CHKS and certified to ISO9001:2015.

Although we hope none of our guests become ill, please note that medical and repatriation expenses in countries such as the United States can be substantial and this is why we insist upon all guests having valid insurance to cover them for such costs. If you happen to be taken ill whilst cruising with us and your condition were so serious that we needed to get you to shore, you would be placed into the care of our port agents and a member of our team ashore would stay in contact with you and provide support if required. Please note, however, that all medical services on board are charged for, and that it is a condition of the contract that you have travel insurance to cover you for medical costs you may incur (please see pages 118 and 126).

### How do I settle my final bill on board?

If you have a credit card registered all you need to do is to check your final statement on the morning of disembarkation. If you are happy with your account you need take no further action. The final amount will be settled to your registered credit card.

If you choose to settle your account with cash and you have a credit card registered you should call at the Purser's Office no later than 6.00pm the day prior to disembarkation. Cash cannot be refunded

to a credit card therefore failure to remove your credit card, will result in a cash balance on your account on the morning of disembarkation. You will then need to call at the Purser's Office to collect this cash credit.

For those guests who are travelling on a World Voyage your account will be settled several times during your stay on board. For guests who travel on two or more consecutive cruises, your account will be settled at the end of each cruise. These settlement dates will be advised when you are on board.

You may choose to settle your account with cash; however a credit card should still be registered. If using cash the account must be kept in credit at all times and there are limits on the amount of cash that can be deposited on your account, which vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totaling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

Please note that, as part of the fight against terrorism, international crime and money laundering, EU regulations require all guests entering or leaving the European Union with €10,000 or more in cash (or its equivalent in other currencies or easily convertible assets – e.g. bonds, shares, traveller's cheques etc.) to declare the sum to the customs authorities of the Member State which he/she is entering or leaving. If you are likely to need to make a declaration under this regulation please contact the HM Revenue & Customs National Advice Service on 0845 010 9000 or visit [www.hmrc.gov.uk](http://www.hmrc.gov.uk) for further information on how to comply.

Please note we do not accept personal cheques, travellers cheques, or pre-paid credit cards on board. We are also unable to accept €500 notes at any time; this includes at the Casino.

### What children's programmes do you offer?

These clubs are open on a daily basis and feature secure entry systems to allow authorised entry. There are 'sign in' and 'sign out' procedures for the 2-12 year olds, including a registration form which must be completed for every child before they attend the programme. We recommend that you attend one of the initial registration sessions on embarkation day so your child can be registered from the first session. Our children's programmes are exclusively for younger guests aged 2-17 years. Parents may drop their children off in the children's facilities to be cared for by our Youth Team, who have extensive experience of planning and facilitating activities for 2-17 year olds, and hold an enhanced DBS check. Children aged between 6 months and 2 years are welcome to use the children's facilities, when available, provided they are accompanied by a parent/guardian at all times.

Our ships are excellent family destinations, because we offer a range of entertainment and activities for children, all of which is tailored to suit specific age groups. Our children's clubs – The Play Zone, The Kids Zone, and The Teen Zone – are complimentary and offer the peace of mind of knowing that your children are well looked after and can socialise with other young people.

Please note that children in nappies, swim nappies, pull ups, or who are not completely toilet trained, are not permitted in the pools or whirlpools.

Here is a brief outline of the children's activity programme on our ships. A children's activity programme will be delivered to the stateroom of all our younger guests on the evening of embarkation, which will feature details of specific activities during the cruise, which often include entertaining themed days. Access to the children's facilities is on a first come, first served basis.

#### The Play Zone

The Play Zone is a permanently supervised play area for children aged between 6 months\* and 7 years on all ships.

The Play Zone is a bright, vibrant, and fun environment, complete with an outdoor play area, an arts and crafts corner, and a carpeted section for building blocks and other toys, as well as tables for puzzles and board games. Other activities will include theme days, activities, arts and crafts, and circle games.

Opening times will be notified on board.

\*Infants aged between 6 months and 2 years are welcome to participate in the Children's Programme with parental supervision.

**The Kids Zone**

Permanently supervised by our Youth Team, The Kids Zone on board is designed for 8 to 12 year olds.

A relaxing and sociable retreat, The Kids Zone provides games and activities intended for older children, such as gaming consoles plus sports competitions, arts and crafts, and karaoke.

Opening times will be notified on board.

**The Teen Zone**

The Teen Zone is a programme for 13 to 17 year olds. Activities will include table tennis tournaments, deck sports, discos, quizzes plus much more to keep our younger guests occupied for the whole holiday.

Opening times will be notified on board.

The exact age groupings for older children will depend on the number of children travelling on any particular cruise.

Please note that at least one parent or guardian must remain on board with your child at all times.

**Night Nursery**

On all our ships we offer a night nursery for children aged six months to 23 months, which is available from 6.00pm to 11.00pm. We will give you a pager should we need to contact you. The night nursery is free of charge and is offered on a first come, first served basis.

## On Shore.

**How long will I be in port?**

Unless stated otherwise, the ship will be in port for a full day. This means the call will be a minimum of 7½ hours and a maximum of 11 hours. Some ports of call are for a half day, which will usually be a minimum of four hours and a maximum of seven hours. Times will vary according to the cruise and port. Late evening departures, shown with an <sup>LE</sup> on the itinerary, will leave port on or after 9.00pm. For full itineraries and port times please visit [cunard.com](http://cunard.com).

Please note that the timings are guidelines only and the actual times may vary. Details of the estimated times of arrival and departure will be provided on board.

**What are the benefits of booking my shore experiences with Cunard?**

Cunard's Shore Experiences are specifically designed to maximise your time in port. All of our shore experiences are planned by a team of experts who have

a wealth of knowledge and experience in the destinations you will be visiting.

We offer a wide selection of activities to meet your needs. As a first time visitor to a destination, we hand pick itineraries that showcase the highlight sights and must-see attractions. We can also provide you with everything you need to do your own independent or self-guided exploration. In addition, we can tailor your day – your way – with private, bespoke opportunities.

As well as seeing the main sights, we also head off the beaten track to get under the skin of a region and uncover the lesser-known delights of a destination. If food is your thing, we work with great partners such as Urban Adventures who can take your taste buds on their own tour of discovery, whilst you get to mingle with the locals.

We use expert local guides who have a wealth of local knowledge to provide you with a greater understanding of the places you visit, and reveal a more vivid, enriching glimpse into daily life.

We also offer you peace of mind. Should inclement weather prevent us from docking, or make running experiences unsafe, the full price of your Cunard shore experience will be refunded (if the experience has not yet started). While on one of our shore experiences, if delays occur that prevent you from getting back to the ship on time, we keep in contact with the tour guides and will wait for you to return. This allows you to make the most of your time in port.

**What are anchor ports and possible anchor ports?**

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol <sup>A</sup> or <sup>PA</sup>, and where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. If you use a wheelchair or a mobility scooter, you will be permitted

to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/mobility scooter and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. The crew will endeavour to assist you where practical and safe to do so and providing that no individual part of the wheelchair or mobility scooter weighs more than 20kg.

**Is the port always the main destination?**

Usually, although there are some exceptions where the main places of interest are not on the coast but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown with the port in brackets, e.g. Rome (tours from Civitavecchia). At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service or a city transfer service.

With Cunard Fares shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

**Can I get foreign currency on board?**

You may exchange your money into local currency for most ports of call, however there are certain ports when the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit card registered or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (\$500 per day with a maximum \$2,500 per seven consecutive days and a maximum of \$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or travellers cheques. We are also unable to accept €500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of \$500; a \$2,500 limit per seven consecutive days; and a \$10,000 limit per 30 consecutive days; against a registered credit card.
