OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-Founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter he started working in travel, creating unique tour experiences in Europe.

“There are certain experiences in life that end up drawing you down a path you had never envisioned yourself taking. My Amazon River trip made me want to help more people discover the joy of traveling through a country by river – and creating AmaWaterways with Kristin and Jimmy made this dream a reality.” – Rudi Schreiner

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with co-founders Kristin Karst and Jimmy Murphy to start AmaWaterways. Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father's legacy in his role as Senior Vice President of Sales.

“Travel has been my life's passion and my greatest source of inspiration and creativity. I am very proud of AmaWaterways' success – it has taken grit, optimism and the insight to surround ourselves with really talented people who treat every new challenge as an opportunity to think differently and create something new that helps us stand out from the crowd.” – Kristin Karst

“We are proud to represent a product and river cruise experience that is enjoyed by travelers of all ages. We are truly inclusive, not only in our product delivery and everything we include in our price, but also inclusive of all ages, ethnic backgrounds and family compositions.”
– Gary Murphy

HIGHEST RATED SHIPS IN EUROPE

Berlitz rated 325 European and US river cruise ships using a grading system based on 500 points in five areas: hardware/facilities, accommodations, cuisine, service/hospitality and other onboard features. Throughout all editions, AmaWaterways has consistently earned the number one rated ship.

"AmaWaterways spends considerably more on high-quality food ingredients and wine and hotel crew service training than any other river cruise company." – DOUGLAS WARD, *Berlitz River Cruising in Europe*

LOIRE VALLEY, FRANCE — Château de Pray

(Add to the *Taste of Bordeaux* itinerary)

Nestled in a bucolic five-acre park and a stone's throw from the royal city of Amboise, Château de Pray has watched over the valley for centuries and holds the secrets of some of the finest chapters in French history. Château de Pray is home to traditional French gardens; a terrace facing the Loire River; heated pool; a gourmet restaurant, which earned a Michelin star; and private lounges each with their own atmosphere. The rooms, (15 of which are in the castle, including one suite, and four in the Renaissance Pavilion), offer the perfect setting for a peaceful night's sleep.

EUROPE'S LEGENDARY RIVERS

Along Europe's legendary rivers and waterways, major trade routes were born, generations of timeless traditions and legends were created, castles and fortresses were built and historic capitals were reimagined as modern metropolises. From fascinating art and architecture to sumptuous food and wine, you'll fall in love with everything Europe has to offer.

DUTCH AND BELGIAN WATERWAYS

Belgium and the Netherlands sit below sea level and encompass the land around the Rhine Delta and North Sea. These so-called "Low Countries" are particularly susceptible to flooding; however, with such protective defenses as Zuider Zee and the Delta Works Projects, the regions have prospered and have given way to countless canals crisscrossing these countries.

THE DANUBE

Europe's second longest river and inspiration for Strauss's famous "Blue Danube" waltz, the Danube passes through 10 countries and four capital cities—Vienna, Bratislava, Budapest and Belgrade. The UNESCO-designated Wachau Valley and spectacular Iron Gates are among its most majestic natural wonders.

THE RHINE, MAIN AND MOSELLE

The Rhine River flows through Switzerland, France, Germany and the Netherlands. Its upper middle valley—a designated UNESCO World Heritage Site—stretches for 40 miles and houses more than 40 castles and fortresses from the Middle Ages. The Rhine has two major tributaries: the Moselle, which flows past dramatic vineyard-clad landscapes and medieval towns with looming castles rising high above; and the Main, home to the 106-mile manmade marvel known as the Main-Danube Canal, which allows travel from the North Sea all the way to the Black Sea.

THE SEINE

France's second largest waterway, the Seine flows through the heart of Paris and continues westward through Normandy to the English Channel in an estuary between Le Havre and Honfleur, allowing you to sample some of the country's most renowned Champagne, ciders and Calvados. The name "Seine" comes from the Latin "Sequana," the Gallo-Roman goddess of the river; and because of its connection to Paris, this waterway has captured the imagination of poets, painters, novelists and architects for centuries.

THE RHÔNE AND SAÔNE

The Saône has its source in Northern France and meets the Rhône, which rises in the Alps in Lyon. The river then runs south through Provence to meet the Mediterranean near Arles. These rivers pass through several wine-producing areas such as Burgundy, and historic towns and cities, offering a wealth of artifacts and ruins showcasing their prominent role in the development of France.

THE GARONNE, DORDOGNE AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary that naturally divides the famous Bordeaux region into the Left and Right banks. One of the largest controlled wine regions in France, Bordeaux is made up of several sub-regions, each with its own strictly governed appellation, unique climate and terroir. Travelers from around the world flock to this region known for its wine and other tantalizing gastronomic delights.

THE DOURO

This major river of the Iberian Peninsula flows from its source in Spain to its outlet in Northern Portugal, giving life to the region's Old-World villages and picturesque cities. It is here where river cruisers discover the Douro River Valley, the birthplace of Port wine and a designated UNESCO World Heritage Site.

THE EXOTICS – ASIA & AFRICA

Walk the path less traveled. Discover the magic and beauty of a distant land. Delve deeply into local cultures and meet extraordinary people who have a remarkable resilience. At AmaWaterways, our love for travel inspired us to bring our river cruise expertise to the more exotic parts of the world. Whether you choose to be mystified by the many charms of Southeast Asia, the pyramids of Egypt or the mesmerizing wildlife of Africa, you'll find few experiences in life as memorable and captivating as these.

Vietnam and Cambodia's Mekong River

The Mekong River, also known as “the Mother of Water,” begins high on the Tibetan plateau and winds its way through China and the rainforests, plains and rice fields of five Southeast Asian countries before meeting the sea. The sagas of ancient empires, colonial powers and modern conflicts have unfolded along the Mekong for centuries. Even today, it is impossible to overstate the river’s importance for the many millions of Vietnamese and Cambodians who live along its vast length.

From the vantage point of the AmaDara, you can witness the compelling contrast of the modern-day river and its ancient past—an awe-inspiring spectacle that simply must be seen to be believed. You’ll have the unique opportunity to go off the beaten path to see small towns seemingly unchanged by time. While here, immerse yourself in the local culture and heritage of Vietnam and Cambodia. Authentic experiences in rural villages unspoiled by tourism offer you a chance to delve deeply into this life and its culture, and to witness the time-honored skills of local artisans creating exquisite handicrafts and delicacies using centuries-old traditions.

The Chobe is considered one of Africa's greatest wildlife regions

Chobe National Park

Hippos are a common sight along the Chobe River

The Chobe River

The life-giving Chobe River is part of the larger Cuando River that flows through the game-rich “Four Corners” region of Africa, where Namibia, Zambia, Botswana and Zimbabwe meet. It flows through the northern part of Botswana’s Chobe National Park where it attracts an almost unbelievable density of game. Here, you’ll experience the “Land of the Gentle Giants”, offering one of the densest concentrations of wildlife, including the world’s largest elephant population. Be treated to up-close encounters with the animals in their natural habitat on safaris by boat providing an extraordinarily distinctive perspective for wildlife viewing. The unique smaller vessel barges let you venture into the smaller channels of the park, offering an unusual viewpoint to observe hippos and elephants; while driving through the park in open-top vehicles allows the safari to search a wider span and more easily follow game in motion.

The Nile River

Allow yourself to be treated to a connoisseur’s discovery of Egypt as only AmaWaterways can provide - with our unparalleled 11-night *Secrets of Egypt & the Nile River* cruise and land journey. For more information, visit [AmaWaterways.com/Egypt](https://www.amawaterways.com/Egypt).

VIETNAM & CAMBODIA'S TIMELESS TRADITIONS

Immerse yourself in the heritage and everyday life of Vietnam and Cambodia as you are transported back in time to another era—one where you'll experience the beauty of longstanding traditions of both these countries along the Mekong.

WORLD HERITAGE SITES & NATIONAL TREASURES

Vietnam and Cambodia are home to spell-binding UNESCO World Heritage treasures. Cruise the emerald-green waters of Vietnam's ethereal Ha Long Bay, considered by many to be the Eighth Natural Wonder of the World. And explore Cambodia's manmade wonder, Angkor Archaeological Park, a vast temple complex once lost under tangled jungle vines, and one of the world's greatest architectural achievements.

AMADARA SAILING THE MEKONG

The award-winning AmaDara is in a class of her own. Reflecting the region's unique blend of French and Southeast Asian heritage, the AmaDara is adorned with rich, dark wood that is elegantly carved, fine fabrics tinged with gold and French colonial décor accented by Mekong artifacts handcrafted by native artisans. Spacious staterooms and suites range from 251 sq. ft. to 502 sq. ft. and all feature twin balconies, both a French and an outside balcony. Plus, enjoy convenient interior access, unlike most other ships on the river.

Take a refreshing dip in the pool, stay active in the fitness room, or simply unwind with a soothing massage in one of three onboard spas. Savor authentic regional delicacies and Western cuisine in the Main Restaurant or dine at The Chef's Table specialty restaurant. Complimentary unlimited wine is served with every lunch and dinner, and house spirits, local beer, soft drinks and bottled water are available throughout the day.

notice. A change in sailing date, name changes, the substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. A reduction in occupancy is subject to a single supplement charge. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as seen in the chart below.

You acknowledge that your cancellation will cause us and the Carrier difficulty in selling a replacement cruise or cruise & land reservation and thus the cancellation fees described below apply regardless of whether your cruise or cruise & land reservation is resold. You agree that any losses sustained by us and/or the Carrier in the event of cancellation would be very difficult or impossible to quantify, and the cancellation fees are fair and reasonable as liquidated damages.

Pricing: All prices are in US dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel advisor or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Prices Do Not Include: Published prices do not include airfare, vessel fuel surcharges, passport and visa fees, baggage fees, port charges and fees, travel protection, vaccinations, laundry, additional food and beverages, optional excursions, gratuities or other items or services of a personal nature.

Passport and Visas: A valid passport is required for each participant. For travel to Europe, at time of publication US Passport holders do not require a visa to travel. Passports must be valid for at least six (6) months after the scheduled return date to your home country, unless stated otherwise.

Travel Documents: Only after receipt of full payment, final Digital Travel Documents (including airline confirmation information, if applicable) will be sent via email, approximately 3-4 weeks prior to departure. (Delay in final payment will delay delivery of Digital Travel Documents.) Requests for expedited Digital Travel Documents may be possible for an additional charge.

FLIGHTS & AIRPORT TRANSFERS

Flight Schedules & Airfares: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler's choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares a deposit of \$350 per person for economy class or \$600 per person for business/first-class tickets is required to secure the flight schedule and quoted price at time of reservation.

Any quoted price is not guaranteed if changes are requested by the guest, such as name or date changes, or if an airline-imposed schedule change is not accepted prior to ticketing. Full payment must be paid in order for your airline tickets to be issued within 75 - 90 days before the travel start date. Once the airfare full payment is received your airline tickets will be issued and any changes will be subject to penalty if not cancelled within 24 hours of ticketing. Should the name on

Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation and assuring these are complete and correct in all ways, is the sole responsibility of each participant. your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed, and your reservation will have to be recreated subject to market pricing at the time of the new reservation. Any air schedules provided by AmaWaterways are subject to change without notice as imposed by the carrier due to reasons beyond our control.

Air tickets are Economy class. Upgrading to Premium Economy, Business or First Class is possible for an additional charge pursuant to the terms and conditions of the relevant airline(s). AmaWaterways guarantees upgrades for long-haul flights, but not U.S. Domestic flights, intra-Europe, intra-Asia, intra-Egypt and intra-Africa flights. Upgrades may not be possible when an air carrier changes the schedule, aircraft type, experiences a strike, overbooking or flight interruption of any kind. Air carriers reserve the right to do all the above. In such cases, all claims for airfare adjustment must be requested directly to the air carrier.

Air carriers require the passenger name to appear on the airline ticket exactly it appears on the passport. If it does not match exactly, AmaWaterways shall not be responsible or liable for the consequences which could include re-issue fees or denial of boarding. AmaWaterways shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight, lost or damaged baggage, missed connections, downgrades, denied boarding or voluntarily buying replacement tickets without the express consent of the air carrier. In any of these instances, claim must be made directly with the air carrier.

Changes: Airline tickets issued by AmaWaterways have restrictions and cannot be reissued, transferred, or exchanged. Any changes whatsoever made to an airline ticket will incur a minimum \$350 per ticket change fee for Economy (\$600 for Business), plus any additional increase in the cost of the airfare. A change or refund request for tickets purchased through AmaWaterways must be made through AmaWaterways but may not be possible. Once a trip commences, only the date of the return flight ticket can be modified for \$350 per ticket change fee for Economy (\$600 per ticket for Business). Other changes may require purchase of a new ticket. The original return air ticket has no residual value.

Limitation on Special Requests & Frequent Flyer Numbers: AmaWaterways will try to relay requests for special meals, adding frequent flyer numbers or for seat assignments, etc. However, confirmation of any request rests solely with the airline and the passenger or travel advisor must always confirm directly with the airline. It is recommended that each passenger provide their frequent flyer number to the airline at the time of check-in. Please note that airline tickets issued by AmaWaterways have restrictions that may not allow credit in part or whole for frequent flyer miles. Checking with the air carrier is the responsibility of the passenger.

Baggage: Checked and carry-on baggage are subject to restrictions that usually involve weight, size and/or number of pieces. Please check with the respective airline regarding baggage policies. There are strict luggage restrictions for our programs in Africa; please ask for details. We shall not be responsible or liable for costs or consequences for exceeding the airline's baggage restrictions, or for loss, theft, damage or delay to passenger's baggage.

Airport Transfers: Guests purchasing transoceanic airfare through AmaWaterways may qualify for complimentary group airport transfers for a scheduled arrival between the airport and the ship or hotel, and on a scheduled departure between the hotel or the ship and airport. Airport transfers in Africa and Egypt to/from the hotel are included on the first and last days (when applicable) of your trip, unless deviating from advertised program. If airport transfers are not reflected on your

confirmation, AmaWaterways will not be responsible for providing airport transfer service. Please note: our group airport transfer service may involve some waiting time. All guests making their own airfare arrangements are responsible for arranging their transportation to/from the airport (except Africa and Egypt).
