STRESS FREE CRUISING

Dear Guest,

It is with great pleasure that MSC Cruises, the world's largest privately-owned cruise line, born out of our founding family's 300 years of seafaring history, is now looking forward to welcoming you on board our ships for the Winter 2020/2021 Season.

We are pleased to offer you exciting cruises in all of the regions where we traditionally operate. The health pandemic has been challenging for all of us. We have worked hard to revise a wide variety of itineraries. Our goal, as always, is to help you build unforgettable moments.

To ensure the health and safety of our guests and crew, we have revisited the entire journey of our guests from booking to disembarkation, to allow everyone to cruise with confidence and we have re-imagined an exciting cruise experience full of long lasting memories. Our commitment and works over the last months has always been inspired, as never before, by our passion for the sea, the need for continuous evolution and moreover our commitment to caring for people.

MSC Cruises is now ready to present you our revised winter itineraries and we are looking forward to welcoming you on board to experience the beautiful Mediterranean, the warmth of the Caribbean, with our private island, Ocean Cay MSC Marine Reserve, the magic of the Emirates or the one-of-a-kind MSC World Cruise alongside our South America and South Africa destinations - make your dreams come true with our winter cruises.

In the pages of this itinerary guide you will find all the information you need to choose your holiday and create unforgettable memories.

I wish you a fantastic holiday.

Gianni Onorato,
CEO MSC Cruises
