DEAR GUESTS,

The great freedom of travelling – you can feel the philosophy of the EUROPA 2, and its associated atmosphere, from the very first moment you step on board: informal and individual, exquisite and stylish and entirely fulfilling your expectations. Experience the symbiosis of elegance, aesthetics and perfection as the EUROPA 2 takes you to places that showcase the world at its most beautiful.

You also have great freedom in choosing from our wide variety of cruises: 28 fantastic routes will take you to the coasts of numerous continents in 2024/2025, offering you exclusive cruise formats and the highest level of casual luxury. A very special highlight is the cherry blossom in Japan – visit this fascinating country with us on two cruises in the coming season. In addition, let yourself be inspired by the charm of North America’s West Coast – on a cruise that now also includes western Canada and Vancouver for the very first time.

You are guaranteed to enjoy many unforgettable moments and the ultimate in relaxation with the best cruise ship in the world*.

We look forward to welcoming you on board soon.

HAUTE CUISINE. HIGHLY CASUAL.

With an eye for detail, the EUROPA 2 chefs constantly open up new culinary horizons. They also offer a fine selection of artfully presented dishes at the highest level for those who prefer vegetarian cuisine. Enjoy modern creations or timeless classics with flexible mealtimes and no fixed seating plans in our gourmet restaurants.

- OUR RESTAURANTS:
- WELTMEERE
- ELEMENTS
- SERENISSIMA
- SAKURA
- TARRAGON
- GRANDE RESERVE
- YACHT CLUB

WELTMEERE

The world a la carte. The flagship restaurant at the heart of the EUROPA 2: enjoy an international gourmet menu that changes every day, and embark on a culinary voyage of discovery. Weltmeere bears the very personal hallmark of our chef and stands for creative culinary sensations – interpreted in new and extraordinary ways, always including options for vegetarians as well.

Asia a la carte. Whether Indian, Vietnamese or traditional Chinese dishes – Elements offers a feast for the senses with a penchant for the flavours of the East. Enjoy varied Asian cuisine, the aroma of lemongrass, seafood and lime – and Elements' exotic, modern ambience.

ELEMENTS

SERENISSIMA

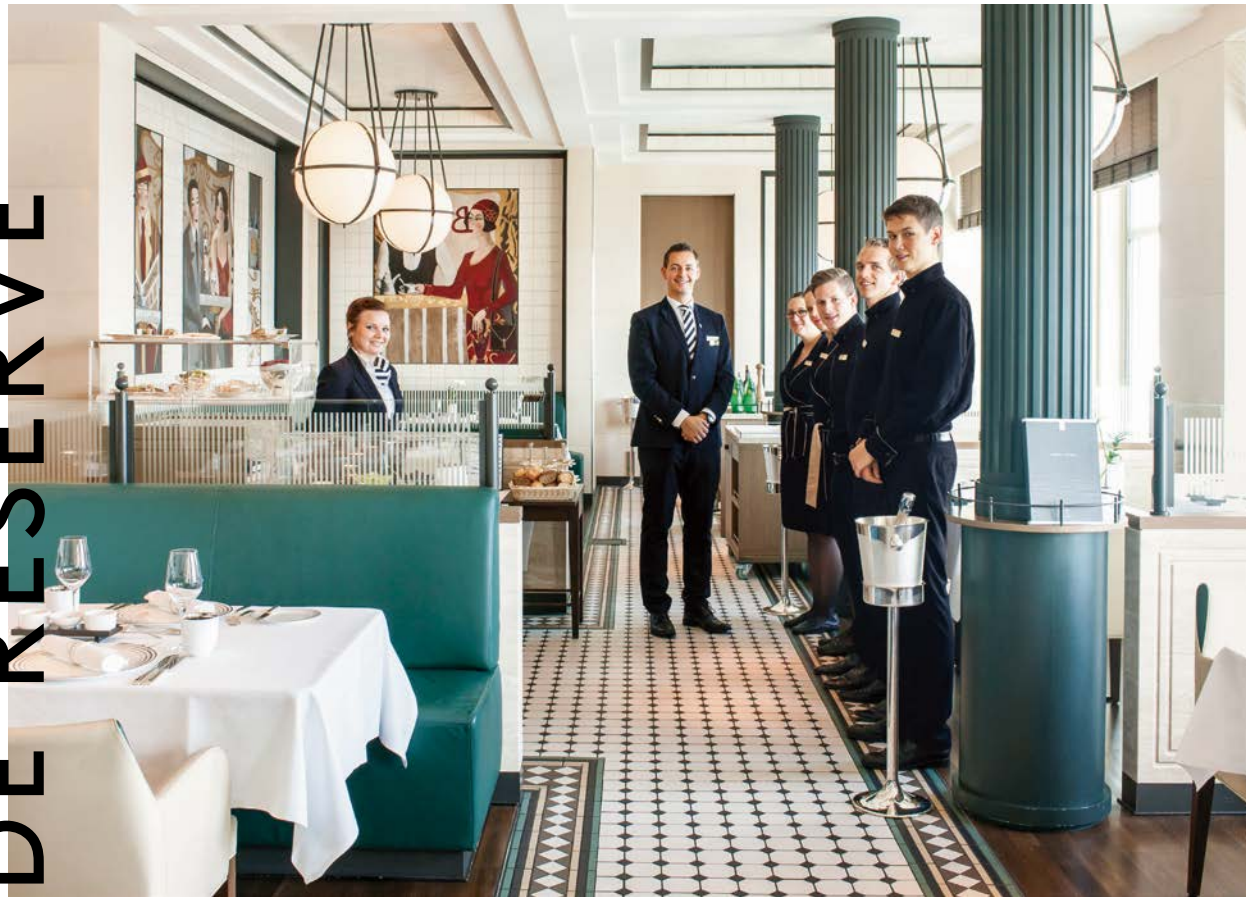

Italy a la carte. Exquisite classics and new interpretations of the flavours of the Italian Mediterranean: the Serenissima combines the best of Italy's flavours and lifestyle. The house speciality is ditaloni con aragosta marinata allo zafferano.

Japan a la carte. Our Asian master has perfected the art of conjuring up small masterpieces from the finest ingredients. Look forward to traditional and modern interpretations of Japanese cuisine and exquisite sushi, from classic to creative. In the relaxed atmosphere of Sakura, you will enjoy the pleasure of an exclusive set of courses – with an ocean view, of course.

SAKURA

TARRAGON AND GRANDE RESERVE

France a la carte. Tarragon stands for great French cuisine and bistro classics, served in an art-deco-style setting. You can look forward to specialities that are at once simple and sophisticated, such as beef tartare prepared at the table.

Wine tastings. In the neighbouring Grande Reserve, the focus is on fine wines, which you can taste in small groups under the direction of a sommelier (at a surcharge).

Relaxed enjoyment, also under an open sky. At the Yacht Club, you can experience the finest cuisine and an unforgettable panoramic ocean view, from breakfast to dinner time. Fresh salads, antipasti from the buffet and freshly grilled specialities, fish, pasta and dishes cooked a la minute direct from the open chef's stations await you.

YACHT CLUB

PLEASURE
IS A MATTER.

Six bars with a unique charm for celebrating – day and night. Each with its very own, unmistakable atmosphere, from lounge to glamour. The perfect way to start the evening memorably and round off every day. You can enjoy a unique ambience and excellent drinks in each of the stylish locations.

OUR BARS –
AN OVERVIEW:

- COLLINS
- PIANO BAR
- POOL BAR
- CLUB 2
- SANSIBAR
- BELVEDERE

COLLINS

Gin and vinyl. The perfect backdrop for the perfect drink – nothing more, nothing less. The atmosphere is traditional and stylish, with armchairs and high-grade woods. The menu features Cuban specialities from the humidior.

Stylish meeting place. The Piano Bar is modelled on the bars found in classic grand hotels: a place to sit back with a first-class drink while you reflect on the highlights of your day and enjoy relaxing music from the Steinway grand piano. All this plus an ocean view that no hotel in the world can match.

PIANO BAR

Concerts, comedy and cabaret. With its bar and lounge area and small stage, Club 2 will also adapt its ambience to the cruise route, constantly changing its colour and lighting concept. Bring your day to a close enjoying our fine selection of drinks and snacks that match the destination, and be inspired by our varied entertainment programme.

CLUB 2

SANSIBAR

Legendary and open air. The view from the open-air bar across the ocean and the parties on the dance floor, with DJ music pumping, are simply unforgettable. Plus, it's also a fantastic location for a late breakfast or a small bite to eat in the afternoon or evening.

POOL BAR

Sun, refreshments and warm waffles. In the pool or at the pool-side bar – which is the best place for maximum refreshment? This relaxed meeting place on the Pool Deck serves snacks at breakfast and lunchtime, and our famous waffles in the afternoon, plus fresh juices and coffee specialities. It then takes on a laid-back atmosphere into the evening.

Tea and coffee lounge with a library. Providing breathtaking panoramic views, the Belvedere is the ideal place to enjoy a little time out. But it's also an atmospheric lounge where readings and concerts are held.

BELVEDERE

Treat your body and soul to some time out. The OCEAN SPA of the EUROPA 2 offers you all the space you need to breathe deeply and simply let go. The ideal place to relax in peace and find your inner self.

ENERGY FOR BODY AND SOUL.

WORKOUTS AND PERSONAL TRAINERS

Relaxed or dynamic, focused or holistic, traditional or innovative: what style of fitness suits you best? The EUROPA 2 offers a wealth of exercise options: intensive workouts of all kinds, high-end gym machines and tailor-made fitness programmes with a personal trainer* accompany you on your personal path.

Visit the most beautiful golf courses in the world with the EUROPA 2 and benefit from the inside knowledge and expertise of experienced PGA golf professionals. And in case you want to perfect your swing at sea, miles away from the nearest green, we have two cutting-edge golf simulators that you can use. Look forward to the best golf experience of your life – exclusive, but in relaxed company. For further details, visit www.hl-cruises.com/golf-cruises

1. EXCLUSIVE GOLF & CRUISE VOYAGES

On selected Golf & Cruise voyages, if you have a handicap of 36 or less, you can play on some of the best courses in the world. Our golf package* comprises all services, including daily coaching by a PGA golf professional.

2. TRAINING PACKAGE* FOR BEGINNERS AND EXPERIENCED PLAYERS

Our PGA golf professionals will help you to perfect your swing, eradicate minor weaknesses and really make the most of your strengths. And there's great additional support in the form of our two cutting-edge on-board golf simulators.

3. GOLF TASTER PACKAGE*

This introductory package is the ideal way to get started with a sport that you will enjoy for decades to come: two 50-minute sessions with our PGA golf professionals on board will provide you with a solid grounding in theory and practice.

4. GOLF A LA CARTE

Our travel concierge* will be happy to make special arrangements to accommodate your personal wishes – from transfers to the golf course to booking your preferred tee times. All you have to do is play.

GLOBAL PLAYER

LIGHTS OUT, SPOT ON.

As the curtain rises, an unforgettable evening begins with amazing acrobatics, dance, comedy, interesting talks, presentations and moving music from classical to pop. Be enthralled by the top-class artists and entertainers on board the EUROPA 2.

TRAVELLING WITH CERTAIN EXTRAS

Every cruise with the EUROPA 2 opens up new horizons, but the special travel formats offer even more. Each one has a particular area of focus – a special theme that is brought to life by outstanding events, fascinating guests on board and exceptional destinations. Up-to-date information about the travel formats is available at www.hl-cruises.com/specialtravelformats

FASHION2SEA – FOR THE LOVE OF FASHION

On the catwalk, in an exclusive pop-up store or as part of a make-up workshop or a fashion dinner: delve into the fascinating world of design and fashion on a fashion2sea cruise.

ILLUMINATE2 – AN AUDIOVISUAL 360-DEGREE EXPERIENCE

Magical soundscapes, artistic lighting shows and culinary discoveries: in this format, the sound visionary Christopher von Deylen (SCHILLER) collaborates with international artists to transform the EUROPA 2 into an immersive total work of art.

ART2SEA – THE PERFECT SETTING FOR ART

Prominent artists, gallerists, art experts and curators from great museums – cooperations with renowned experts reveal fascinating insights into the international art world. Exclusive visits to exhibitions, galleries and museums offer you a unique look behind the scenes.

MS EUROPA 2 UNPLUGGED® – GOOSEBUMPS INCLUDED

Swap large concert hall shows for an acoustic and personal experience with your star – the concerts in the theatre on board the EUROPA 2 create an intimate ambience. Enjoy exclusive encounters with outstanding musicians.

TALK2CHRISTIANSEN – DISCUSSING CONTEMPORARY ISSUES

Sabine Christiansen, a German journalist, brings top-level guests on board for exciting discussions about the latest topics and current events. Her guests include Nobel Prize laureates, international politicians, high-ranking experts and other major public figures.

IN2BALANCE – A JOURNEY TO FIND YOUR INNER BALANCE

Innovative training and relaxation in perfect harmony. Depending on the cruise you book, we offer a diverse programme including relaxation techniques from the Far East, burnout prevention exercises, nutritional advice and interval training to create a restorative, holistic experience.

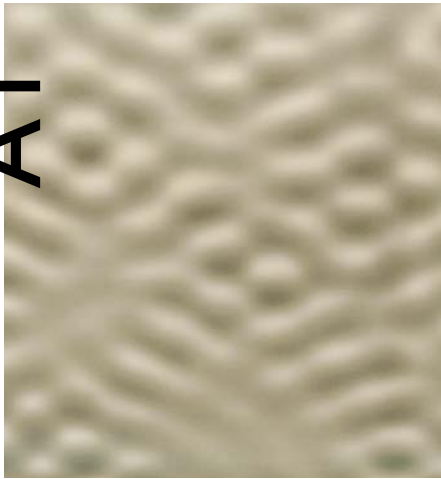

FINE ART
AT SEA

A stroll through the luminous corridors of the EUROPA 2 is as inspiring as a day in a museum of modern art. Over 890 original paintings and exhibits, as well as photographs and sculptures by artists including Damien Hirst and Gerhard Richter, accompany the ship and its guests around the world. The collection is complemented by changing exhibitions and lectures by artists on various aspects of art history. Enjoy fine art on the open sea.

WE TAKE RESPONSIBILITY.

In order to ensure that the habitats on our planet are preserved in the future, a responsible approach to our environment is indispensable. That is why the EUROPA 2 even sails under the 5-star-plus flag when it comes to environmental protection. It is also important to us that we comply with the highest hygiene standards so that we can protect the health of everyone on board.

ENVIRONMENTAL MANAGEMENT & COMMITMENT

-  Measures to increase our crew's and our passengers' environmental awareness – for example, training courses, tours of the engine room and lectures by experts.
-  Hapag-Lloyd Cruises offers sustainable excursions that take place on foot, by bicycle or using forms of transport with low CO₂ emissions. Alternatively, you can reach nearby natural environments and tour starting points with just a short transfer.
-  As a member of AECO, we promote responsible, sustainable and safe tourism in the Arctic.

-  We are committed to helping people and nature in cruise destinations worldwide – also together with specialised partners and organisations.

RESPONSIBILITY AT OUR DESTINATIONS

-  Purchasing locally as a way of shortening our transport routes and supporting the local economy.

CO₂ OFFSETTING

-  Offset the CO₂ emissions on your cruise: Hapag-Lloyd Cruises offers this in conjunction with the climate protection organisation myclimate. More information is available at www.hl-cruises.com/climate-calculator

RESOURCE MANAGEMENT

-  Seawater desalination technology on board for our own treatment of drinking water.
-  100 % self-produced water.
-  Certified biological sewage treatment plants clean all wastewater that is produced.
-  Eco-friendly waste separation prior to disposal on land in accordance with the MARPOL regulations.
-  Power management and decreased electricity consumption thanks to energy-saving light bulbs and LEDs.
-  Ballast water management to ensure that flora and fauna are not carried into regions where they are not indigenous.
-  Hapag-Lloyd Cruises has been reducing unnecessary plastic on all its ships for many years already.

ENERGY EFFICIENCY

-  Reduced fuel consumption of around 30 % thanks to optimised route management and avoidance of top speeds.
-  Reduced fuel consumption thanks to the newly developed hull.

EMISSION REDUCTIONS

-  By voluntarily foregoing heavy fuel oil completely, we are reducing sulphur and particulate emissions.
-  Efficient ship design of the EUROPA 2: low CO₂ emissions according to EEDI certification and reduction of nitrogen oxide emissions thanks to SCR catalytic converters.
-  TBT-free underwater paint.
-  The bow thrusters and stabilisers run on environmentally friendly ecological oil.
-  The EUROPA 2 is equipped for cold ironing and makes use of this technology where possible.

ENVIRONMENTALLY COMPATIBLE PRODUCTION

-  All advertising materials are printed on FSC®-certified paper.
