Where nothing comes as standard

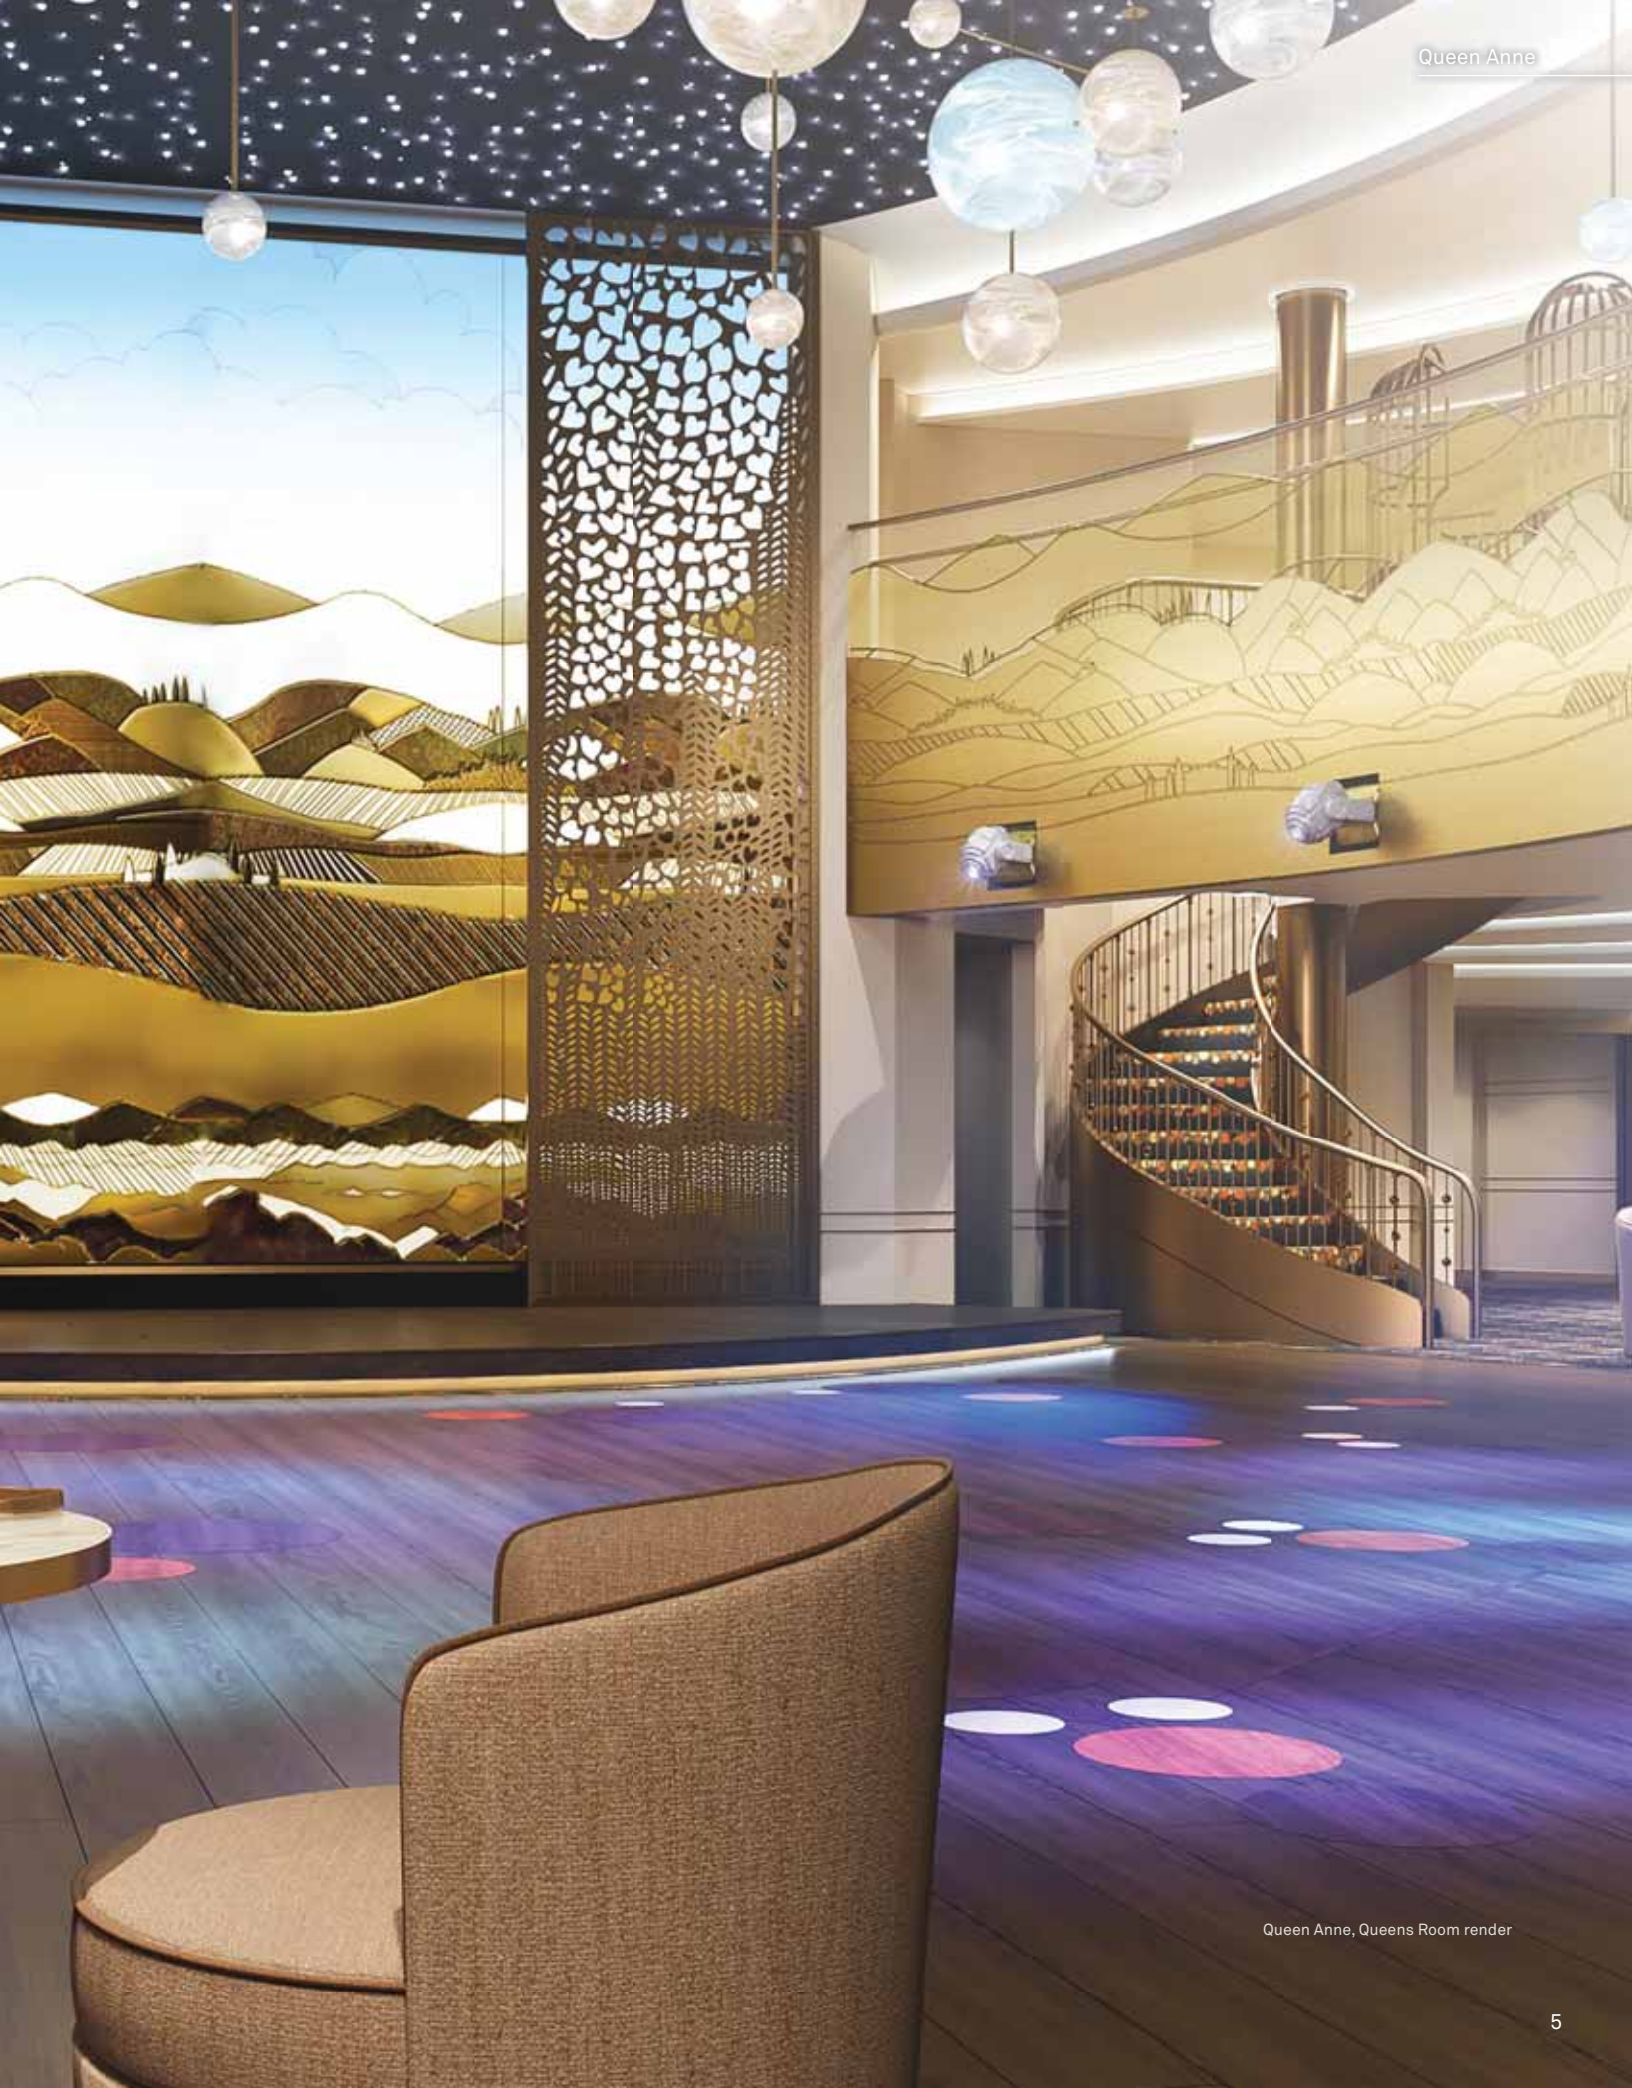

Queen Anne's breathtaking interiors take inspiration from our past to define a striking new design direction for our future.

Having been immersed in the Cunard archives, the designers, whose portfolios include luxury hotels, high-end yachts, and private grand residences, have ensured that Queen Anne exudes classic Cunard style while showcasing many new considered touches.

Queen Anne's distinctive design language is echoed throughout, reinterpreting influential styles of the past and celebrating the beautiful art deco style finishes for which Cunard is known.

Feel inspired as you stroll through decks adorned in an impressive art collection or enjoy that special feeling as you descend into the Grand Lobby in your Gala Evening attire. Delight in our world-famous Afternoon Tea served in the exquisite Queens Room or decide to spend your days and evenings relaxing in more casual surroundings. As always with Cunard, the choice is yours. Queen Anne becomes your new home as soon as you step on board and breathe in the true Cunard experience.

And then to dinner

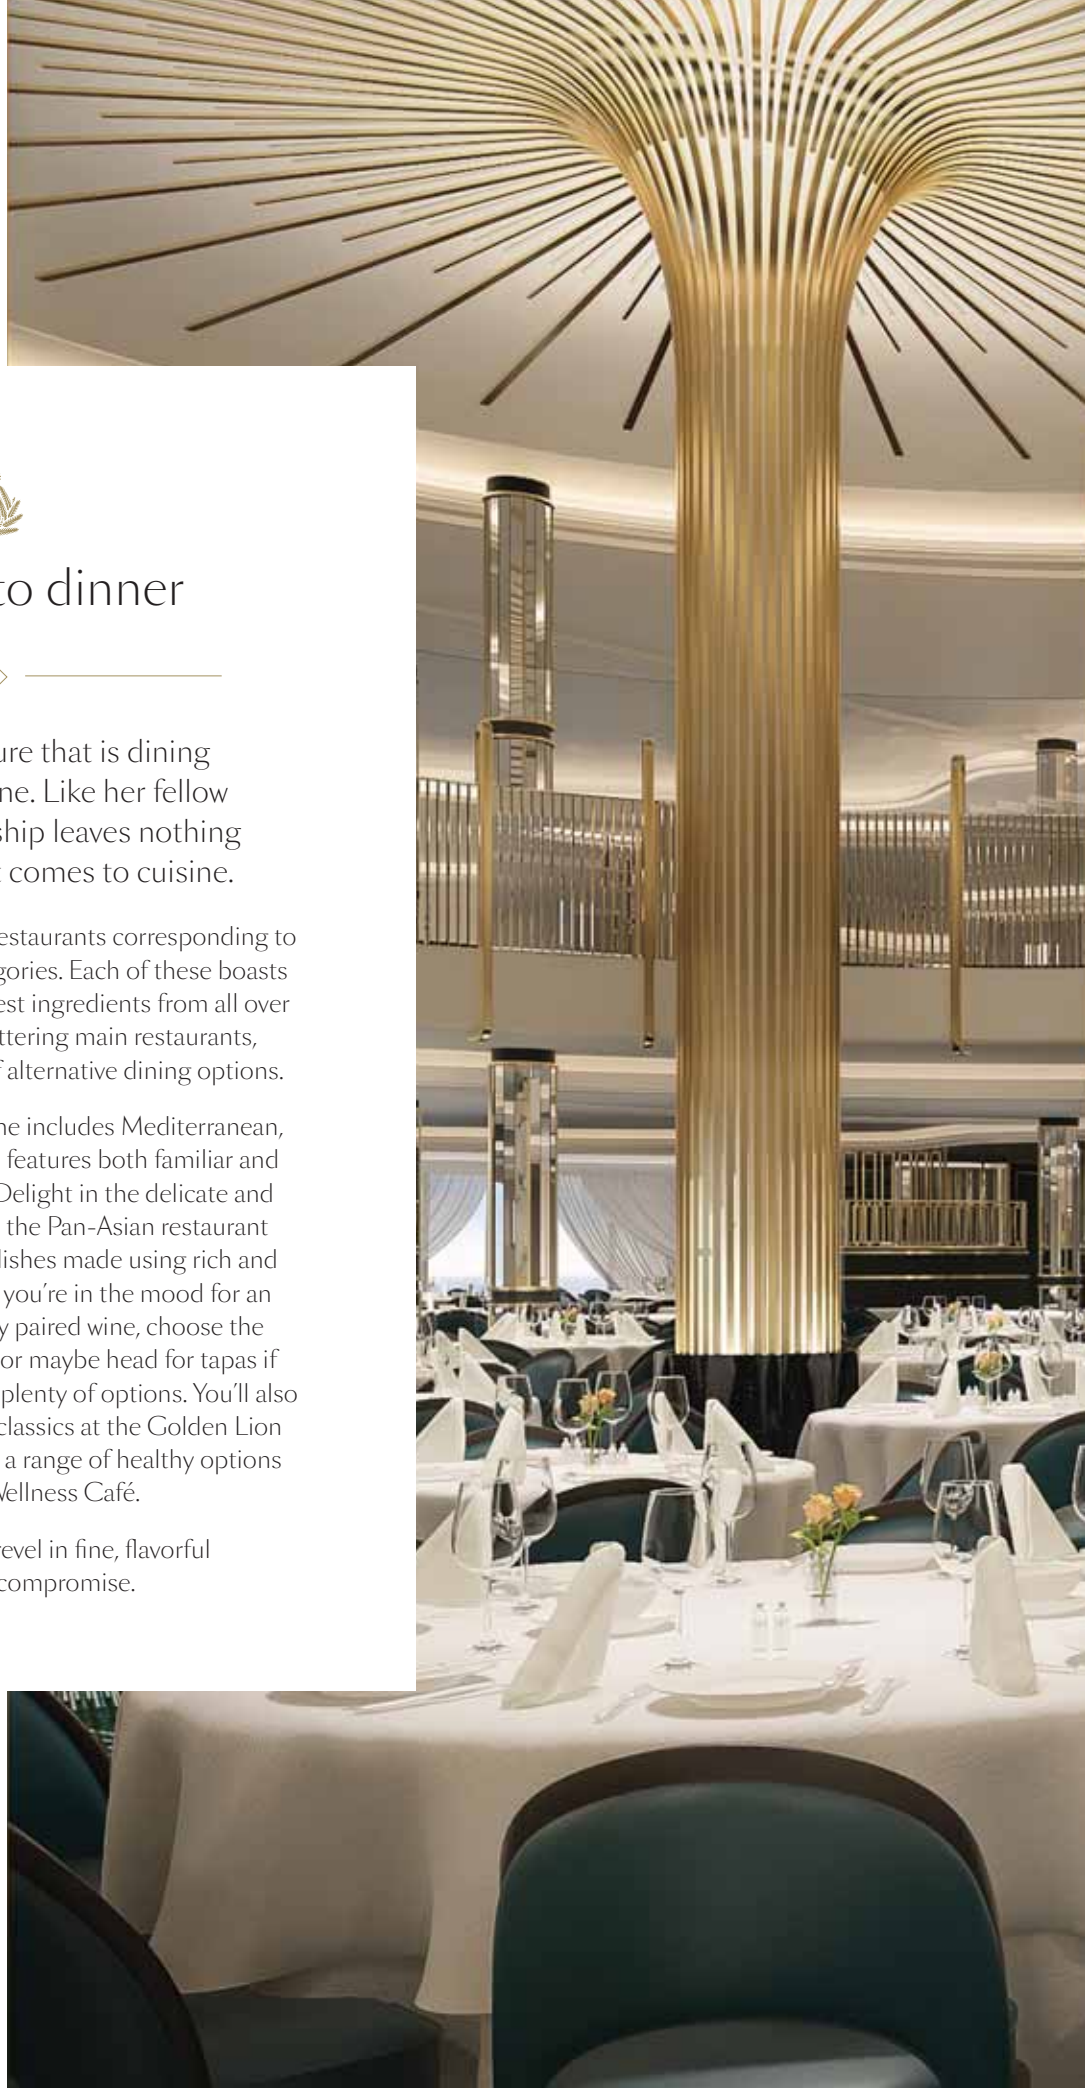

Relish in the pleasure that is dining on board Queen Anne. Like her fellow Queens, our newest ship leaves nothing to be desired when it comes to cuisine.

Queen Anne offers dedicated restaurants corresponding to her four accommodation categories. Each of these boasts a menu that showcases the finest ingredients from all over the world. Alongside our glittering main restaurants, Queen Anne offers an array of alternative dining options.

Your choice of authentic cuisine includes Mediterranean, with a restaurant whose menu features both familiar and perhaps unexpected dishes. Delight in the delicate and fragrant flavors of the East at the Pan-Asian restaurant or enjoy tastes of India, with dishes made using rich and aromatic spice blends. When you're in the mood for an indulgent steak and perfectly paired wine, choose the flagship steakhouse and grill, or maybe head for tapas if you'd like an evening filled with plenty of options. You'll also find a generous menu of pub classics at the Golden Lion Pub™ or you can choose from a range of healthy options at The Pavilion Wellness Café.

Whatever you choose, revel in fine, flavorful cuisine without compromise.

Queen Elizabeth, Alaska

Queen Elizabeth®

Christened by our late Queen, (Her Majesty Queen Elizabeth II), Queen Elizabeth pays tribute to classic art deco design; styling that has won her numerous accolades.

The heyday of Hollywood glamour is instantly evoked in her elegant wood paneling, gleaming chandeliers, and marble flooring but nowhere more so than in her three-story Grand Lobby; its sweeping staircase dominated by a marquetry-paneled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the greenhouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls or paddle tennis.

Queen Victoria®

Similar in size and layout to Queen Elizabeth, but with her own distinct personality and feel, Queen Victoria's classical decor has an Edwardian elegance, executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain – Inger Klein Thorhauge, and the first in the world to offer private theater boxes at sea.

Fans of Queen Victoria often remark on her unusual coziness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate feeling throughout.

The evening is yours

Evenings on board offer many pleasures, not least deciding where to dine and which performance to attend. Then there's the fun of getting ready.

Many of our guests welcome the opportunity to dress for the occasion and step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available.

On Queen Anne, perhaps head to Bright Lights Society, a dazzling new show bar where you're invited to share an electric evening of wonder up close.

For West End-style performances, on each ship you'll find the Royal Court Theatre. Here, some evenings feature singers or comedians, and other times you might catch a classical drama or musical. You can even enjoy champagne in your own private box on some ships.

Alternatively, slow things down with the melodic sounds of a pianist serenading you as you sip the evening's cocktail, or take part in a quiz with your fellow traveling companions at the Golden Lion Pub.TM

With so many things to do on board, the only difficult decision is what to do next.

When all the ship's a stage

With unexpected theater like nothing else at sea, find yourself transported into another world again and again, with Cunard Showcases.

When you sail with Cunard, your onboard entertainment isn't only confined to the Royal Court Theatre. We also like to immerse you in the action, with our ships setting the stage for some of the most unique productions at sea.

That's why, on selected voyages, you'll find performances of a more intimate nature, delivered in places you probably wouldn't expect. We call it Cunard Showcases because that's exactly what it is: a celebration of live performance, showcased through extraordinary experiences.

Powerful dramas. Interactive theater. Multisensory dining. This eclectic entertainment program is the first of its kind at sea. Become utterly absorbed in a murder mystery dinner. Enjoy the impromptu acoustics of an operatic flash mob.

Be left speechless by incredible dance and physical performances you'll never forget.

When you're not captivated by the theater that surrounds you, take the opportunity to see what goes on behind the scenes at intimate 'In conversation with' events and workshops with stage and screen talent. Who knows, you could be watching a dancer perform one night and partnering with them the next.

Alaska, by Cunard®

Exploring Alaska by ship is the perfect way to experience these icy northern reaches first-hand, many of which are inaccessible by air or road.

From the rainforests of Icy Strait Point to the compact charms of Skagway, a voyage through Alaska offers sights and experiences that will stay with you always. Explore frontier towns where gold prospectors once mined the icy terrain and glacier-studded fjords at the very fringes of civilization.

Ketchikan, home to the world's largest collection of totem poles, delights with its intricately carved wooden sculptures and candy-hued houses. The state's capital, Juneau, unlocks whale-watching expeditions to see humpbacks and orcas, while cruising Glacier Bay National Park delivers spectacular scenes of tidewater glaciers backed by snow-capped mountains.

On board, naturalists illuminate the views on deck, performers provide native entertainment, and Cultural Heritage Guides reveal fascinating insights into Alaska's history. An Ice White Ball Gala Evening offers yet another experience to delight in, while an Alaska twist on our signature Afternoon Tea provides the perfect treat after a day of exploring.

Your dining experiences also pay homage to Alaska's great culinary legacy, featuring dishes inspired by native delicacies and ingredients of local provenance.

Panama Canal

Panama Canal, by Cunard®

A transit of the Panama Canal unlocks incredible seafaring journeys through the jungle-lined waterways connecting North and South America.

From the allure of bustling cities to the respite of tranquil golden beaches, voyages through the Panama Canal can provide relaxation on sparkling shores and sun-filled days steeped in culture.

In North America, be greeted by the sight of the Golden Gate Bridge on arrival into San Francisco and, while here, why not take the opportunity to visit the city's famous prison on Alcatraz Island?

Mexico and Central America bring the softness of powder-white beaches in Cabo San Lucas, and the World Heritage site of La Antigua Guatemala.

As you sail the Panama Canal itself, one of the world's greatest feats of engineering, be sure to enjoy the sight of the majestic verdant jungle from the deck, perhaps with a signature Cunard cocktail to toast the occasion.

Relish postcard-perfect views of the Caribbean Sea, where the pink sands of Bermuda await, and Aruba offers streets lined with candy-colored houses. Fort Lauderdale, meanwhile, unlocks the winding walkways of Riverwalk Park, dubbed Florida's most beautiful mile.

Iberia, Atlantic Coast, and Canary Islands, by Cunard®

Stunning scenery, UNESCO World Heritage Sites, and glorious climates are among the temptations of these enticing voyages.

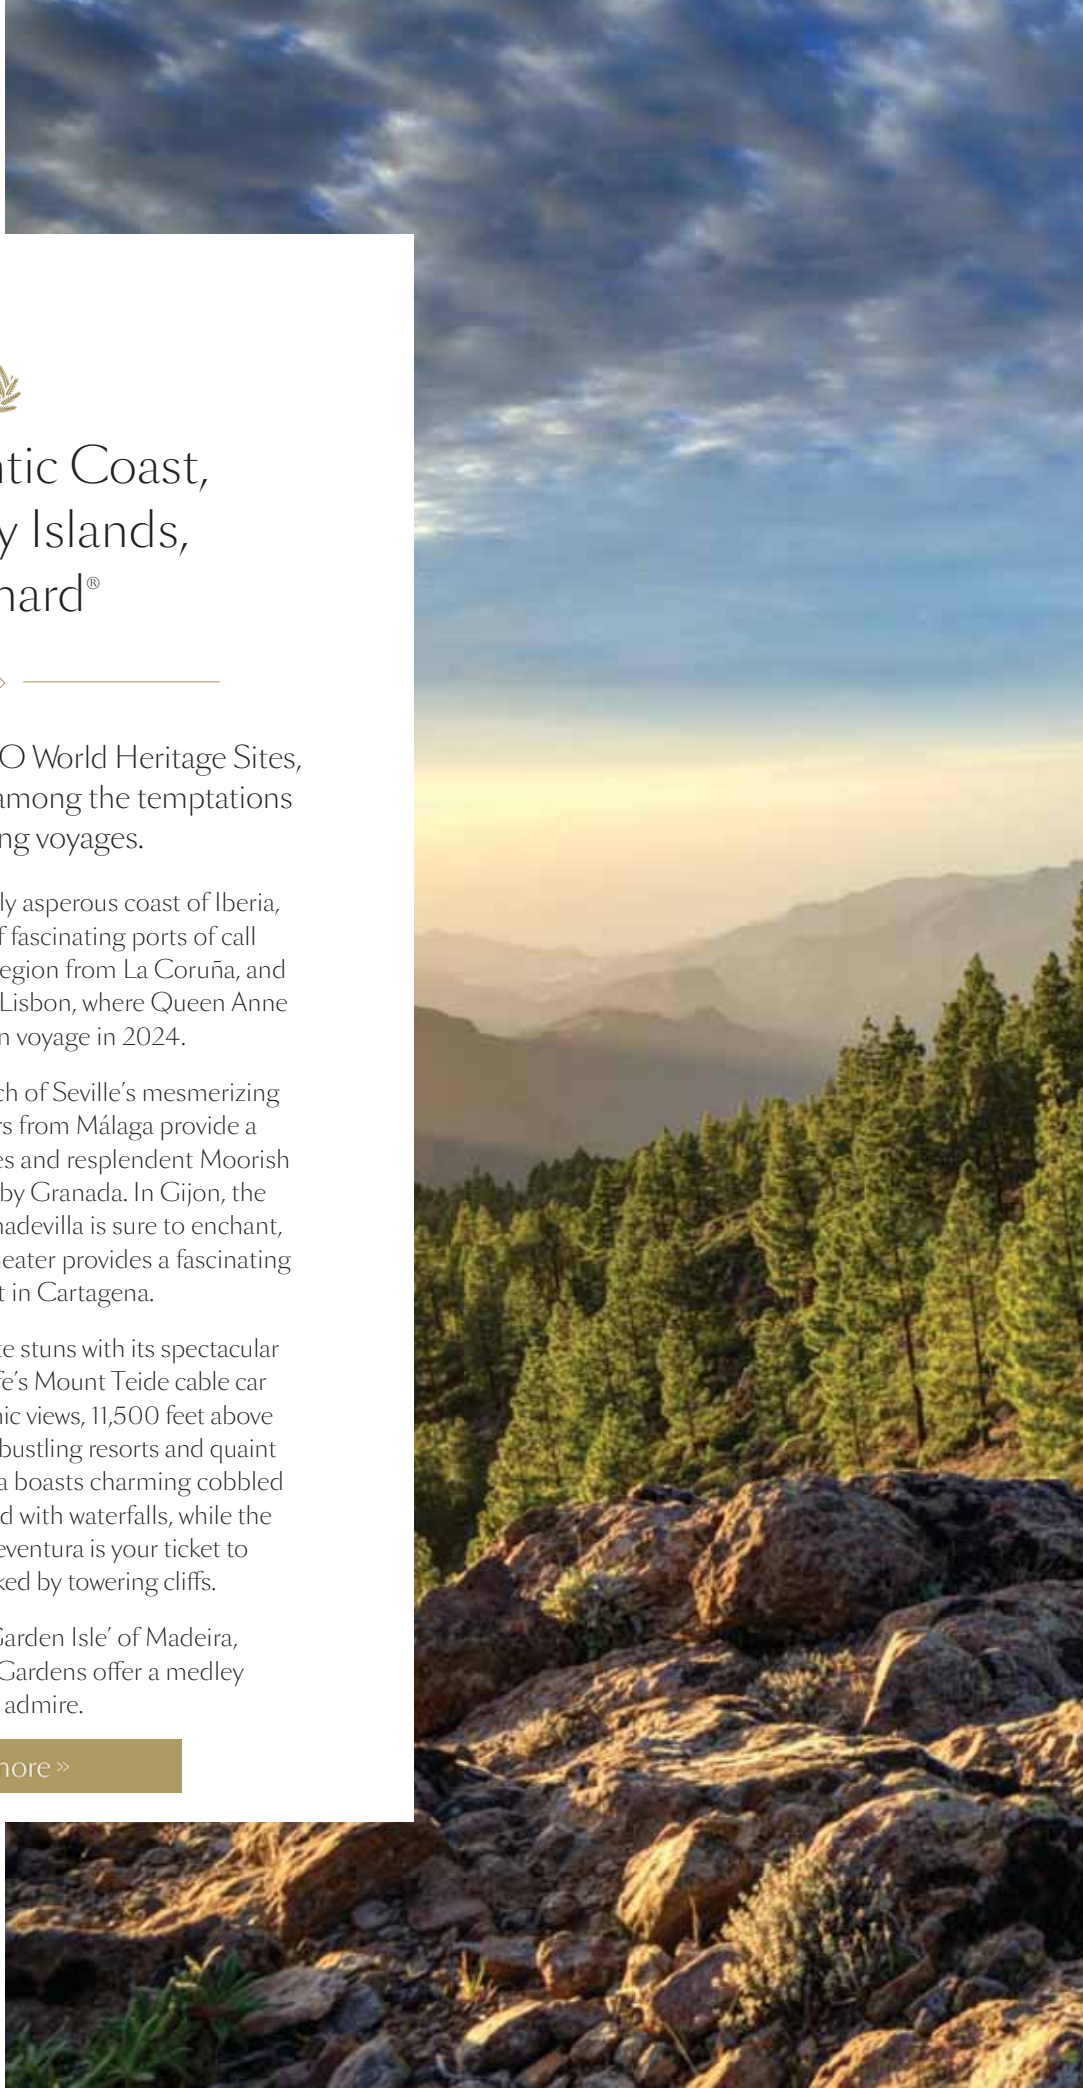

As you sail along the beautifully asperous coast of Iberia, you'll encounter a medley of fascinating ports of call including Spain's lush Galicia region from La Coruña, and Portugal's atmospheric capital Lisbon, where Queen Anne will call on her maiden voyage in 2024.

Ancient Cádiz puts you in reach of Seville's mesmerizing equestrian shows, while tours from Málaga provide a gateway to the decorative arches and resplendent Moorish tiles of the Alhambra, in nearby Granada. In Gijon, the old fishermen's quarter of Cimadevilla is sure to enchant, while the 1st century Roman Theater provides a fascinating historical highlight in Cartagena.

In the Canary Islands, Lanzarote stuns with its spectacular park at Timanfaya and Tenerife's Mount Teide cable car delivers breathtaking panoramic views, 11,500 feet above sea level. Gran Canaria brings bustling resorts and quaint fishing villages, sleepy La Palma boasts charming cobbled streets and pine forests dotted with waterfalls, while the Biosphere Reserve of Fuerteventura is your ticket to white-sand beaches backed by towering cliffs.

Equally appealing is the 'Garden Isle' of Madeira, where Funchal's Botanical Gardens offer a medley of colors to admire.

The Caribbean, by Cunard®

Immerse yourself in the glorious sunshine of the Caribbean, with the freedom to explore a new island almost every day of your vacation.

Overflowing with natural beauty, vibrant colors, and idyllic beaches, the Caribbean has long held a place in travelers' hearts. Its cuisine is also legendary, with fresh fish and fiery spices common signatures in the local dishes enjoyed across the region.

Pristine Dominica, one of the greenest islands, is a playground of natural wonders. Its stunning Morne Trois Pitons National Park a lush paradise of grottos and hot springs. St. Kitts also offers much to satisfy your inner adventurer, with stunning mountain trails surrounding the island's capital Basseterre.

St. Maarten, in the Dutch Caribbean, introduces quiet coves that are perfect for snorkeling as well as thrilling zip-lining experiences to set your pulse racing. If you're in the mood for some retail therapy, the colorful boutiques along Front Street in Philipsburg - just a stone's throw from one of St. Maarten's best beaches - are sure to turn up a precious keepsake or two.

Barbados meanwhile, offers the opportunity to explore the UNESCO-listed Garrison or the stunning stalagmite formations of Harrison's Cave. An aerial gondola ride in St. Lucia's Forest Reserve will whisk you through the emerald canopies, and on St. Thomas, the allure of the sapphire seas at Magens Bay will prove impossible to resist.

Asia, by Cunard®

For a truly sensory experience, there's nothing quite like Asia. A region synonymous with enchanting contradictions, the sights, sounds, and scents of these fascinating nations are sure to astound you.

Nowhere embodies this spirit quite so well as Singapore, where ancient shophouses offer a window into the past, and contemporary additions, such as the magical Gardens by the Bay, lend the city a futuristic feel. Enjoy the opportunity to step out after dark, with an overnight port call on selected voyages.

Sailing to Vietnam introduces a multi-layered melting pot of history in Ho Chi Minh City, while arriving in Chan May gives you a choice between visiting the UNESCO-listed Imperial City of Hue, or the wondrous white sands of Da Nang's beaches.

Queen Elizabeth will make several Japan circumnavigations, offering the opportunity to visit Akita's sake breweries, Hiroshima's Peace Memorial Park, and Kanazawa's castle, alongside maiden calls to Beppu and Sasebo. You could also enjoy time ashore in Taiwan and Busan, where Buddhist shrines and the homes of former emperors are among the sights to behold.

Be part of something special when Queen Anne sails to Asia for the first time in 2025, on her maiden World Voyage. Calls to Sri Lanka, Abu Dhabi, and Dubai are just three highlights in store, as well as Hong Kong, Vietnam, and Singapore, among others.

Australia and New Zealand, by Cunard®

Delve into voyages of adventure throughout Australia and New Zealand, exploring world-famous landscapes and coastal cities with a rich cultural heritage.

Combining sand beaches, colorful reefs and cosmopolitan cities, voyages in Australia offer the perfect balance of relaxation and discovery. Admire Sydney's iconic Opera House, perhaps on an overnight port call, or indulge in a crisp glass of wine in one of countless local vineyards.

In the historic port of Fremantle (Perth), the botanical gardens at Kings Park are highly recommended, while a visit to the famous Magill Estate in Adelaide is a must. Easy-going Cairns is your gateway to the colorful marine life of the Great Barrier Reef, while Hobart's fashionable Salamanca Place and historic Battery Point await on the island of Tasmania.

Then comes New Zealand. Boasting some of the most breathtaking landscapes in the world, the islands are a firm favorite with travelers of all ages. Be captivated by vivid tones of blue and green as you traverse Fiordland National Park and the beautiful Bay of Islands, keeping a watchful eye for curious whales and dolphins.

Dunedin, with its Maori heritage, and Auckland, with its impressive gastronomy, provide further New Zealand highlights. Time your voyage over Christmas and New Year to celebrate in style or extend your exploration of Australia to the stunning islands of the South Pacific.

Canada and New England, by Cunard®

In Canada and the United States, vast landscapes and vibrant cities offer a glimpse into the legacies of man and Mother Nature.

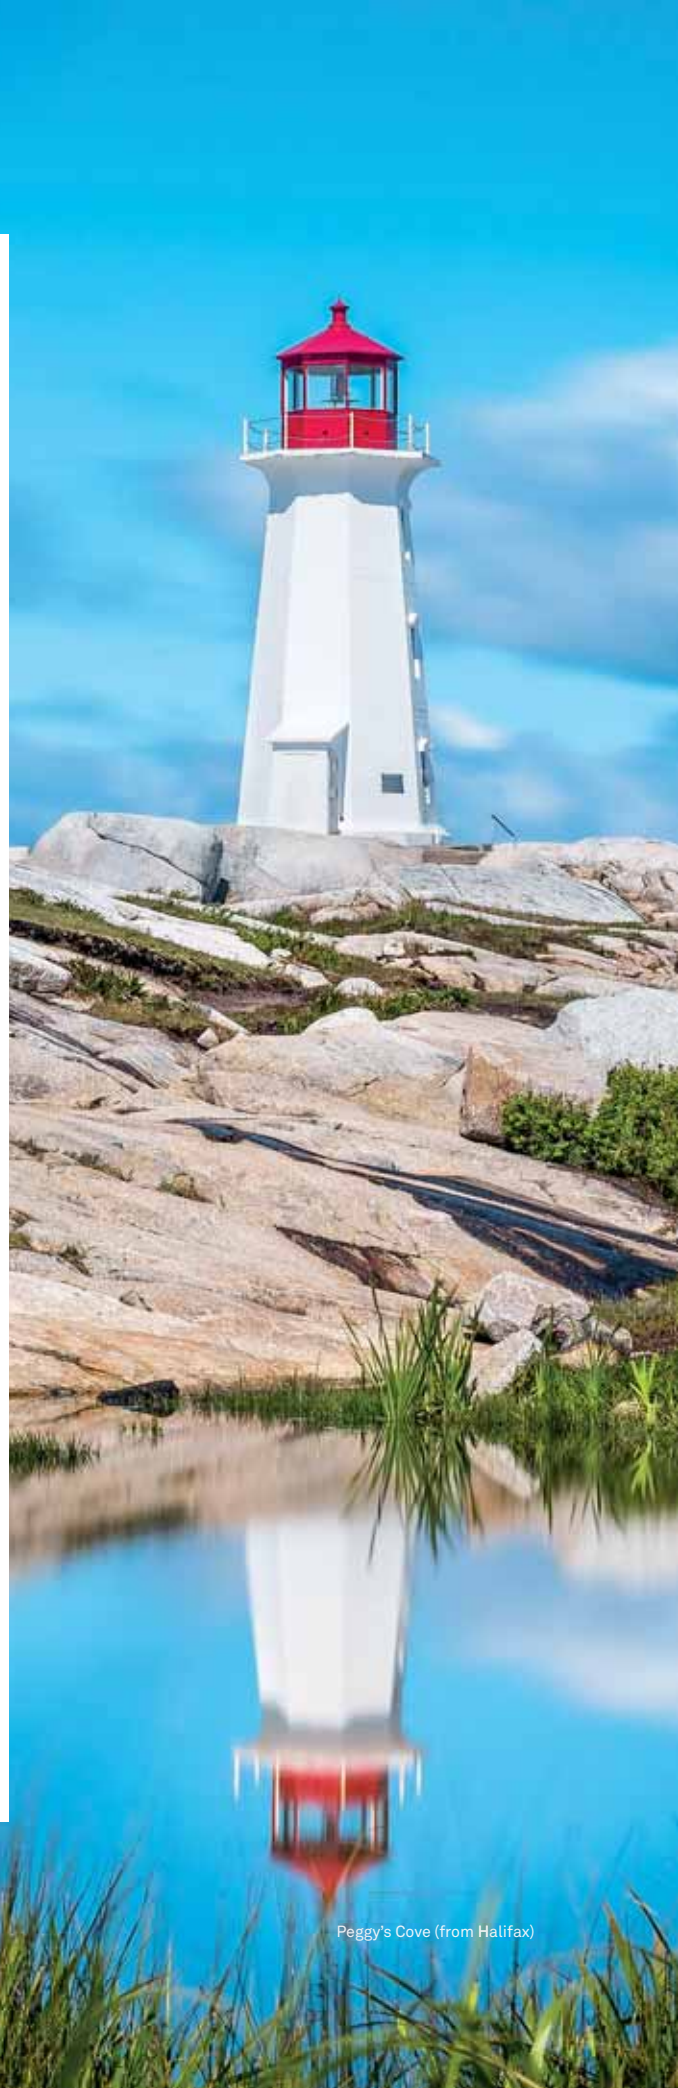

With iconic sights that never fail to impress, New York is always a compelling port of call on a USA and Canada voyage. Then there's laidback Boston, famed for its links to the American Revolution, which you can learn about in the city's famous Freedom Trail.

Away from these iconic cities, you'll discover New England's gorgeous beaches and characterful coastline. Calling at Rockland, meanwhile, introduces a creative blend of galleries, shops, and farm-to-table restaurants, the likes of which are highly acclaimed.

In Canada, a woodland hike among Nova Scotia's pine trees from Sydney offers a lovely way to while away an afternoon. The same is true of the historic warehouses and star-shaped Citadel in Halifax. Sept-Îles will astonish with its stunning scenery and rich Innu culture, while Saguenay (one of the best places in the world for whale-watching) reveals a majestic fjord and picturesque villages.

Canada's crowning glory, however, must be the beautiful walled city of Québec. Brimming with French culture, entering its magical old town (a UNESCO World Heritage Site) feels nothing short of taking a step back in time.

Mediterranean, by Cunard®

Embark on your Mediterranean adventure directly from London or soak up the many highlights of this mesmerizing region on a cruise from Barcelona or Rome.

Home to some of the oldest cities in the world, the rich history of the Mediterranean is beyond compare. Walk in the footsteps of gladiators, explore ancient archaeological sites, and revel in the tranquillity of islands where life seems to move at an altogether slower pace.

Enjoy an overnight stay in Istanbul, sipping on rich Turkish coffee and getting lost in bazaars filled with colorful pottery, fabrics, and sweet treats. Nestled in eastern Italy, close to the border with Slovenia, Trieste brings a chance to explore Italian, Slovenian, and Austro-Hungarian influences, especially in the medieval old city. Explore ancient Roman ruins in Croatia, and gaze in awe at Gaudi's unmissable Sagrada Familia in Barcelona, the spires of which are an iconic sight on the city's skyline.

In Rome's 'Eternal City', the Colosseum and Vatican City are just two of the historical highlights worthy of a visit. Naples, meanwhile, brings the wonders of Pompeii, and Pisa's leaning tower is easily accessed on a tour from Livorno.

Selected voyages also offer the opportunity to transit the Messina Strait, or stop in Cagliari to admire its beautiful hilltop Castello. Then of course there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where the sea seems to glint an otherworldly shade of blue.

These, together with the Balearic Islands of Mallorca and Ibiza, are sure to inspire lasting vacation memories.

Oceans of Discovery

Exploration of the world's mighty oceans is an adventure that has captivated the minds of mankind for centuries. It's this same spirit of discovery that has influenced Cunard's global voyages today.

As pioneers of the first World Voyage, we've transported more passengers around the world than any other cruise line. Today, we invite you to explore with us on two distinct types of voyage:

World Voyages

The ultimate seabound adventure, these signature, global journeys include ports across the continents, whisking you away for weeks at sea.

Grand Voyages

Tracing legendary sailing routes through historic and inspiring destinations, these voyages offer extended time at sea, coupled with calls in unique pockets of the world.

Whichever voyage you choose to embark on, you'll be transported into a world of unrivaled style, where each day brings you the freedom to do as much or as little as you please.

Your choice of discovery

In 2025, we are delighted to offer you a choice of Grand and World voyages that visit Asia, Australia and New Zealand, Africa, Europe, and the Americas, with the chance to stop overnight in cities that truly come to life after dark.

Frequently asked questions

A Cunard cruise promises wonderful moments and a lifetime of memories. To ensure the most superb vacation possible, you will want to be sure you are well prepared before you depart. Here are answers to some of the questions you may have about a Cunard cruise. For more details on any of these questions, please visit Cunard.com, contact your Travel Advisor or call Cunard at (800) 728-6273.

What is included in my fare?

All fares include accommodations as booked, onboard meals* and entertainment. Fares are per person based on double occupancy and are cruise only, excluding air and transfers. Fares do not include Taxes, Fees and Port Expenses, hotel and dining service charges, CunardCare® travel protection or incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

Can guests with disabilities travel?

All guests requiring specific assistance, facilities or equipment on board, or wishing to bring such equipment on board, must advise Cunard at the time of booking and will be asked to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

If you need to bring a wheelchair or mobility scooter on board with you, it is essential that you let us know at the time of booking or as soon as the need is known. Any guests requiring the use of a wheelchair, mobility scooter or other aids to mobility must provide their own. For the safety of everyone on board and the ship, all wheelchairs, scooters and other aids to mobility, as is the case with all other guest possessions, must be stored inside your stateroom when not in use. Failure to comply with this important safety rule may mean you will be disembarked and refused future travel. A part-time wheelchair user traveling in a non-wheelchair accessible stateroom must bring a collapsible wheelchair to ensure it can safely fit through the stateroom door and be accommodated in the stateroom. It is not possible to make structural changes to the stateroom layout. Cunard reserves the right to require guests who have booked a wheelchair-accessible stateroom without legitimate reason to move, at their own expense, if necessary.

Mobility scooters will only be permitted on board if guests have booked into a wheelchair-accessible stateroom, or a suite, as these are the only types of accommodation where mobility scooters can safely be stored. The minimum door width of suites is 53 cm (21 in). The minimum door width of the wheelchair-accessible staterooms is 80 cm (31 in). At the time of booking, please let us know if you intend on bringing a mobility scooter with you, and we will in turn provide you with a questionnaire for completion to ensure that the accommodation you have booked is appropriate.

Please note that our wheelchair-accessible staterooms are strictly reserved for guests who are bringing wheelchairs or mobility scooters or who have a requirement for the adapted facilities offered by these staterooms.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew is helpful, they are only able to provide limited assistance to help you in moving around the ship. For this reason, and in order to ensure the safety of the guests, the ship and all others on board, we recommend that guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair or being given communication support, be accompanied by personal assistants/traveling companions to provide these services. Blind/visually-impaired guests are recommended to travel with companions who can help them get their bearings and assist them both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. Please note that, due to applicable safety requirements, the design of the ship or port infrastructure and equipment, in certain ports of call it may not be possible for us to offer a shore excursion program, or shuttle bus service, suitable for guests who are not able to board a coach via the steps with only the aid of their traveling companion.

Cunard reserves the right to refuse passage to any guest who has failed to notify us of their requirement for special treatment or assistance (including the requirement to use a wheelchair or mobility scooter). For further information about traveling with disabilities, please contact our specialist Care Access Team at (800) 728-6273 (Monday-Friday 8am-5pm PT) or contact us by email at accessoffice@cunard.com.

Do you hold emergency drills on board?

All guests boarding our ships will be shown a safety video outlining the emergency procedures and important safety information. It is important all guests watch the safety briefing on TV in full. Our stateroom stewards will be available to demonstrate the safety features in your stateroom and answer any questions. After watching the safety briefing on TV all guests must attend their assigned Assembly Station and record their attendance before departure. Full safety information is displayed on the inside of your stateroom and Essential Information booklet.

*Excludes certain specialty areas of Kings Court and Lido in the evening and Steakhouse at The Verandah where surcharges apply.

For full details, please visit Cunard.com/FAQs

General information

Responsibility

Transportation of guests and baggage on Cunard is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and which is also available upon request. The Passage Contract represents the entire agreement between Cunard and the guest. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the guest.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to guests. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to guests the amount it has received.

The guest is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call if, for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when, in Cunard's sole judgment, it would be considered a risk to the guest's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other guest or crewmember.

Deposits

A 25% deposit is required for all guests (including third and fourth berths) within three days of reservation or sooner, as specified by Cunard for voyages less than 31 nights. For voyages 31 nights or longer, a 20% deposit is required within three days of reservation or sooner, as specified by Cunard. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

Balance of payment

Full payment for all cruises shorter than 31 nights must be received by Cunard no later than 120 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date and are guaranteed only when paid in full at 120 days prior to sailing. Final payment is due at 150 days prior to sailing on all voyages 31 nights or longer. Reservations made between 120 and 31 days prior to sailing require full payment within 24 hours of booking for voyages less than 31 nights. Reservations made between 150 and 31 days prior to sailing require full payment within 24 hours of booking for voyages 31 nights or longer. Reservations made within 30 days of sailing require full payment at time of booking.

Methods of payment

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for onboard services/products by the guest or by Cunard on behalf of guests, shall be paid by guest prior to disembarkation.

Hotel packages are subject to cancellation fee of 50% of the total cost of the hotel package between 90 to 61 days prior to the first day of booked hotel stay and 100% of the total cost of the hotel package between 60 and the first day of the booked hotel stay. Land tour packages will be assessed a cancellation fee of 100% of the total cost of the land tour package when canceled at 90 days or less to the first day of the land tour. If non-cruise components only are canceled, the guest will be responsible for any cancellation charges imposed by the airlines, other transportation carriers, tour and ground operators or hotel properties.

Refunds

All refund requests pertaining to cruise, land and air are subject to final review by Cunard. Partial use of cruise, airfare, hotel and land extension does not qualify a guest for a refund.

Onboard Credit

If you are due to receive Onboard Credit, this will be applied to your account on the first night of your cruise. Onboard Credit cannot be used for any of the following: cash back, casino/gambling charges, foreign exchange, any medical services/prescriptions, charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

Baggage and valuables

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all guests and all baggage must pass a security checkpoint.

Children traveling with an adult

Children under 18 years of age must be accompanied by an adult. Please confirm minimum age restrictions at the time of booking.

Pregnancy Policy

Reservations will not be accepted for women who will be 24 or more weeks pregnant at the time their cruise with Cunard Line concludes.

Embarkation/disembarkation

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport. Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for one to three guests or luxury club vans for four to eight guests. Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Advisor or call Cunard at (800) 728-6273 for more information.

Guests with disabilities/special diets

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels.

Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a guest will be traveling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

Taxes, Fees and Port Expenses

The term "Taxes, Fees and Port Expenses," as used by us, may include any and all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees and Port Expenses may include U.S. Customs fees, head taxes, Panama Canal tolls, Suez Canal tolls, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees. Port Expenses include fees paid to third parties for navigation, berthing, stevedoring, baggage handling/storage and security services. Taxes, Fees and Port Expenses may be assessed per guest, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of guests on the Ship. Taxes, Fees and Port Expenses are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

Cunard® CompleteAir Program, booking procedures, identification and refunds

Guests purchasing flights under the Cunard CompleteAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Guests booked on Restricted fares are required to pay for their flights in full at the time of booking. Guests booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by the Cunard Line reservations system. Guest agrees to contact airline(s) directly to reconfirm flights, to specify any special travel needs and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport).

Guests purchasing flights under the Cunard CompleteAir Program may choose their flight and seat at the time of booking. Guests will be able to choose from a selection of flights under either the Flexible or Restricted program.

Cunard CompleteAir Same Day Late Arrival Protection

Guests who book air travel through Cunard will be automatically enrolled in the Cunard Same Day Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to same day airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the guest. Please note, this applies to all cruises except Transatlantic Crossings.

Services provided by independent contractors

All shoreside tours and services described in this brochure, including air, hotels, transfers and shore excursions, are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and onboard physicians since they are neither agents for nor employees of Cunard.

International travel documents and health information

It is the guest's obligation to obtain and carry with him/her a valid passport, visas, parental authorizations if required as well as public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Check with your Travel Advisor for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Depending on the area of the world visited, vaccination/immunization requirements vary considerably and are subject to change at any time. We suggest that guests traveling outside of their country of residence consider being immunized against Hepatitis A, Typhoid, Diphtheria, Polio, Tetanus, and COVID-19. An international certificate, approved by the World Health

Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunization recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunizations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.

What to pack

Wondering what to pack for your voyage? We have put together a guide to assist you in deciding what to wear for each occasion on your vacation. We hope our style guide featuring iconic fashion houses and international brands will both help and inspire you in choosing your cruise wardrobe.

One of the real pleasures of our ships is the balance between being relaxed and free to dress as you please during the day and the chance to sparkle in the evenings, whether dressing for dinner or the extra glamour of Gala nights.

During the day, feel free to relax and dress as you please in all areas of the ship. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

On our much-loved Gala evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship. There are two or three of these special Gala evenings for every seven days of your voyage. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.
